Prof Zsolt Demetrovics – Chair of the Centre of Excellence in Responsible Gaming and President of ISSBA

1:30pm Plenary #1

-

3:00pm Location: Auditorium
Chair: Marc Nicholas Potenza
Chair: Susana Jimenez-Murcia

Plenary Lectures:

Jeffrey Derevensky: Changing gambling behaviors among sports gamblers: Should we be concerned?

Susana Jimenez-Murcia: Examining Biopsychosocial Risk Factors and Treatment Outcome in Gambling Disorder

Andrew (Hyouonsoo) Kim: Two sides of the same coin? A transdiagnostic conceptualization of substance and behavioural addictions

3:00pm Coffee Break

-

3:30pm Location: Mezzanine

3:30pm

-

5:00pm

Session 1A: International perceptions of gambling and gambling-related harms
Location: Auditorium
Chair: Gemma Mestre-Bach
Chair: Marc Nicholas Potenza

Session 1B: International approaches to digital harms
Location: Room KL
Chair: Daniela Vecchio

Session 1C: Video gaming: Epidemiology, characteristic s, and co-occurring problems
Location: Room I
Chair: Lukas Blinka
Chair: Caterina Primi

Session 1D: CSBD/PPU: Cue reactivity and executive function
Location: Room G
Chair: Rudolf Stark
Chair: Stephanie Antons

Session 1E: Neuromodulation, pharmacological treatments and new digital interventions for behavioral addictions and compulsive disorders
Location: Room H
Chair: Giacomo Grassi

Session 1F: Video gaming: Personality and motivations
Location: Room J
Chair: Aleksandra Zajac
Chair: Jaime Katrina Nuske

Session 1G: Exercise Addiction
Location: Room M
Chair: Attila Szabo
Chair: Julia Hormes

Session 1H: Problematic social media use: Individual and interpersonal factors
Location: Room N
Chair: Laura Salerno
Chair: Natale Canale

5:00pm Coffee Break

-

5:30pm Location: Mezzanine

Monday, 07/July/2025

5:30pm - 7:00pm	Session 2A: Sexuality and romantic relationships in the light of compulsive sexual behaviors Location: Auditorium Chair: Beata Bothe	Session 2B: Compulsive buying-shopping disorder meets social network use disorder Location: Room KL Chair: Astrid Müller Chair: Susana Jimenez-Murcia	Session 2C: Addictive features in work and love Location: Room I Chair: Edyta Charzyńska Chair: Lorenzo Borrello	Session 2D: FOR2974: The Complexity of Diagnostic Criteria, Psychological Mechanisms and Behavioral Patterns in specific Internet-Use Disorders Location: Room G Chair: Annica Kessler Chair: Anna Knorr	Session 2E: Eating disorders and food addiction Location: Room H Chair: Guyonne Rogier Chair: Repairer Etuk	Session 2F: Gambling and Help-seeking behaviors Location: Room J Chair: Kengo Yokomitsu Chair: Yoshiki Koga	Session 2G: Gambling and gaming convergence Location: Room M Chair: Cristina Villalba-Garcia Chair: Atte Oksanen	Session 2H: Mental Health in the Digital Space: Clinical Insights into Severe Internet and Gaming Addiction Location: Room N Chair: Daniela Vecchio
7:00pm - 8:00pm	ISSBA General Assembly Location: Auditorium							
8:00pm - 10:00pm	Welcome Reception Location: Space R2							

Tuesday, 08/July/2025

8:00am Registration

-
5:00pm

8:30am **Mini-talks 1A: Behavioural addictions**
Location: Auditorium
Chair: Joel Billieux

Mini-talks 1B: Problematic video game use
Location: Room KL
Chair: Susumu Higuchi

Mini-talks 1C: Gambling research and interventions
Location: Room I
Chair: Daniel King

Mini-talks 1D: Problematical social media use
Location: Room G
Chair: Beatrix Koronczi

Mini-talks 1E: Women Round Table : Gender Differences from a Female Perspective: where to go?
Location: Room H
Chair: Fulvia Prever

9:00am **Plenary 2# - Current developments in the Problematic Use of the Internet**

Location: Auditorium

-
10:30am Chair: Zsolt Demetrovics

10:30am **Coffee Break**

Location: Mezzanine

-
11:00am

11:00am **Session 3A: Advances and innovations in behavioral addiction research**
Location: Auditorium
Chair: Katajun Lindenberg
Chair: Daniel King

Session 3B: Psychosocial characteristics and treatment of gaming disorder
Location: Room KL
Chair: Susumu Higuchi
Chair: Chih-Hung Ko

Session 3C: Eating disorders, body image, and social media
Location: Room I
Chair: Milena López-Montón
Chair: Gayatri Batra

Session 3D: Gambling-related harms: risk factors and interventions 1.
Location: Room G
Chair: Anja Kräplin
Chair: Robert Czernecka

Session 3E: Trajectories of recovery in addictive behaviours
Location: Room H
Chair: Adèle Morvannou
Chair: Youssef Allami

Session 3F: ADHD and behavioral addictions
Location: Room J
Chair: Megan Elizabeth Gail Molnar
Chair: Paul Brunault

Session 3G: Gaming disorder: assessment and typologies
Location: Room M
Chair: Filip M. Nuyens
Chair: Andrea Stašek

Session 3H: Behavioral addictions: Miscellaneous
Location: Room N
Chair: Judit Farkas
Chair: Jeremie Richard

12:30pm **Lunch**

Location: Space R2

-
1:30pm

1:30pm **Session 4A: Is the components model of addiction truly valid in the context of behavioral addictions?**
Location: Auditorium
Chair: Loïs Fournier
Chair: Joel Billieux

Session 4B: Compulsive sexual behavior disorder and problematic pornography use: societal and clinical implications
Location: Room KL
Chair: Ewelina Kowalewska

Session 4C: Special aspects of problematic social media use
Location: Room I
Chair: Silvia Casale
Chair: Christian Montag

Session 4D: Gambling disorder treatment 1.
Location: Room G
Chair: Amanda Roberts
Chair: Rosalind Baker-Frampton

Session 4E: Buying-Shopping Disorder: Phenomenology and correlates of development and maintenance
Location: Room H
Chair: Patrick Trotzke
Chair: Emeline Chauchard

Session 4F: Cognition and Impulsivity
Location: Room J
Chair: Giovanni Albani
Chair: Clémence Cabelguen

Session 4G: Gambling: epidemiology, typology, and assessment
Location: Room M
Chair: Sabrina Molinaro
Chair: Hui Zhou

Session 4H: Problematic Internet use and problematic social media use
Location: Room N
Chair: Niko Männikkö
Chair: Artemisa Rocha Dores

3:00pm **Coffee Break**

Location: Mezzanine

-
3:30pm

Tuesday, 08/July/2025

3:30pm - 5:00pm	Session 5A: Video gaming: market, game assessment, policy, and treatment Location: Auditorium Chair: Orsolya Király Chair: Sophia Achab	Session 5B: Recent Advances in Understanding the Cognitive, Affective, and Motivational Mechanisms Underlying Problematic Use of Social Media Location: Room KL Chair: Tania Moretta Chair: Elisa Wegmann	Session 5C: Work addiction Location: Room I Chair: Bernadette Kun Chair: Pawel Andrzej Atroszko	Session 5D: Gambling-related harms: risk factors and interventions 2. Location: Room G Chair: Leonor Guedes Cardoso Chair: Amy Borg Taylor	Session 5E: Understanding problematic binge-watching and short-video use: patterns, predictors, and psychological impacts Location: Room H Chair: Maèva Flayelle	Session 5F: Gambling: harms, harm reduction, and policies Location: Room J Chair: Elisa Benedetti Chair: Cong Mou	Session 5G: Compulsive sexual behavior Location: Room M Chair: Juliette Florence Mia Desbuleux-Rettel Chair: Ignacio Obeso	Session 5H: Gaming Beyond the Screen: Innovative Therapeutic and Preventative Uses of Tabletop Role-Playing and Interactive Games Location: Room N Chair: Maurane Bosson Chair: Joel Billieux
5:00pm - 5:30pm	Coffee Break Location: Mezzanine							
5:30pm - 7:00pm	Session 6A: Problematic smartphone use & Problematic social media use Location: Auditorium Chair: Jon Elhai Chair: Beatrix Koronczai	Session 6B: Chemsex: Risk and protective factors, health impact and treatment options Location: Room KL Chair: Cora von Hammerstein Chair: Joel Billieux	Session 6C: Gender Differences in Behavioural Addictions from a Female Perspective Location: Room I Chair: Fulvia Prever Chair: Olatz López Fernández	Session 6D: Gambling disorder treatment 2. Location: Room G Chair: Amandine Luquiens Chair: Monique N Gandhi	Session 6E: Innovative Approaches to Address Internet Addiction and Cyber Behaviors Location: Room H Chair: Kristiana Siste	Session 6F: Food addiction across mental and metabolic disorders: bridging the gap Location: Room J Chair: Fernando Fernandez-Aranda	Session 6G: Video gaming: Psychological correlates Location: Room M Chair: Dana Katz Chair: Jaime Katrina Nuske	Session 6H: The role of interoception and emotions in behavioral addictions Location: Room N Chair: Olivier Desmedt
7:15pm	Transfer to Gala Dinner							
8:00pm - 11:00pm	Gala Dinner							

Wednesday, 09/July/2025

8:00am Registration

-

2:00pm

8:30am

-

9:00am

Mini-talks 2A: Pornography use and compulsive sexual behaviour
Location: Auditorium
Chair: Beata Bothe

Mini-talks 2B: Gambling characteristics: National experiences
Location: Room KL
Chair: Sabrina Molinaro

Mini-talks 2C: Social media and smartphone use: background and interventions
Location: Room I
Chair: Matthias Brand

Mini-talks 2D: Food addiction and eating disorders
Location: Room G
Chair: Fernando Fernandez-Aranda

Mini-talks 2E: Behavioural addictions: miscellaneous
Location: Room H
Chair: Anise M.S. Wu

Mini-talks 2F: Love and shopping
Location: Room J
Chair: Astrid Müller

9:00am Plenary 3# 10-in-3: My ICBA journey from Budapest to Nantes

-

10:30am

Location: Auditorium

Chair: Zsolt Demetrovics

10:30am Coffee Break

-

11:00am

Location: Mezzanine

11:00am

-

12:30pm

Session 7A: Advancing Understanding of Compulsive Sexual Behaviors: Characterization, Emotion Dysregulation, and Treatment Approaches
Location: Auditorium
Chair: Jesús Castro Calvo

Session 7B: Gaming disorder: Treatment
Location: Room KL
Chair: Annika Hofstedt
Chair: Huei-chen Ko

Session 7C: Gambling related suicide: A novel approach to investigation
Location: Room I
Chair: Amanda Roberts

Session 7D: Affective and cognitive mechanisms of specific Internet-use disorders – current results of the Research Unit FOR2974
Location: Room G
Chair: Matthias Brand

Session 7E: Internet use disorders over time: Prevalences and treatment efficacy in adolescents and young adults
Location: Room H
Chair: Kerstin Paschke
Chair: Katajun Lindenberg

Session 7F: Video gaming: neural and reward mechanisms
Location: Room J
Chair: Jennifer Jiyun Park
Chair: Zsuzsanna Viktória Pesthy

Session 7G: Gambling and reward mechanisms
Location: Room M
Chair: Hermano Tavares
Chair: Melissa D'Ettorre

Session 7H: Gambling: Craving, motives, and personality
Location: Room N
Chair: Thomas Westerberg
Chair: Youssef Allami

12:30pm Lunch

-

1:30pm

Location: Space R2

1:30pm

-

3:00pm

Session 8A: New approaches in the study of behavioral addictions
Location: Auditorium
Chair: Shu Kit Eric Tam
Chair: Richard James

Session 8B: Updates in Gambling disorder: from Risk Profiles to Innovative Treatment Approaches
Location: Room KL
Chair: Susana Jimenez-Murcia
Chair: Fernando Fernandez-Aranda

Session 8C: Uncovering the Complexities of Sports Betting: Understanding Responsible Behaviors and Problematic Patterns through Research and Treatment Findings
Location: Room I
Chair: Shane Kraus
Chair: Joshua B. Grubbs

Session 8D: Video gaming and its social context
Location: Room G
Chair: Sonia Cerrai
Chair: Camilla K.M. Lo

Session 8E: Cyberchondria: State of the Art
Location: Room H
Chair: Vladan Starcevic
Chair: Joel Billieux

Session 8F: Problematic Pornography Use
Location: Room J
Chair: Anna Ševčíková
Chair: Campbell Ince

Session 8G: Problematic Internet use
Location: Room M
Chair: Jelena Jović
Chair: Lasse Schmidt

Session 8H: Problematic social media use, loneliness, and fear of missing out
Location: Room N
Chair: Rocco Servidio
Chair: Tali Gazit

3:00pm Closing

-

3:30pm

Location: Auditorium

3:50pm

-

6:00pm

LES MACHINES DE L'ÎLE

Plenary #1

Time:

**Monday, 07/July/2025:
1:30pm - 3:00pm**

Location: Auditorium

*Session Chair: Marc Nicholas Potenza
Session Chair: Susana Jimenez-Murcia*

Plenary lectures

Changing gambling behaviors among sports gamblers: Should we be concerned?

Jeffrey Derevensky

International Centre for Youth Gambling Problems and High Risk Behaviors, McGill University, Canada; jeffrey.derevensky@mcgill.ca

Examining Biopsychosocial Risk Factors and Treatment Outcome in Gambling Disorder

Susana Jimenez-Murcia

University Hospital Bellvitge and University Barcelona, Spain; sjimenez@bellvitgehospital.cat

Two sides of the same coin? A transdiagnostic conceptualization of substance and behavioural addictions

Andrew (Hyouonsoo) Kim

Toronto Metropolitan University, Canada; andrewhs.kim@torontomu.ca

Plenary #2

Time:

**Tuesday, 08/July/2025:
9:00am - 10:30am**

Location: Auditorium

Session Chair: Zsolt Demetrovics

Current developments in the Problematic Use of the Internet

Plenary #3

Time:

**Wednesday, 09/July/2025:
9:00am - 10:30am**

Location: Auditorium

Session Chair: Zsolt Demetrovics

10-in-3: My ICBA journey from Budapest to Nantes

DETAILED PROGRAM OF THE PARALLEL SESSIONS

Session 1A

International perceptions of gambling and gambling-related harms

Time:

Monday, 07/July/2025:
3:30pm - 5:00pm

Location: Auditorium

Session Chair: Gemma Mestre-Bach

Session Chair: Marc Nicholas Potenza

Presentations

International perceptions of gambling and gambling-related harms

Chair(s): **Gemma Mestre-Bach** (Universidad Internacional de La Rioja), **Marc Nicholas Potenza** (Yale School of Medicine, United States of America)

Presentations of the Symposium

A qualitative analysis of gender-related differences in recovery from gambling problems among middle-aged and older adults

Li Yan McCurdy, Jennifer M Loya, Melissa Gordon, Jennifer J Park, Krysten Bold, Brian Kiluk, Marc Nicholas Potenza;
marc.potenza@yale.edu
Yale School of Medicine

Young adults with online sports gambling problems: A qualitative study exploring experiences of problem gambling and behavior change

Jennifer J Park, Li Yan McCurdy, Jennifer M Loya, Melissa Gordon, Krysten Bold, Brian Kiluk, Marc Nicholas Potenza;
jennifer.j.park@yale.edu
Yale School of Medicine

Public Perceptions of Gambling-Related Harms on Social Media

Gemma Mestre-Bach¹, Borja López², Miguel Ángel Álvarez de Mon², Giulia Testsa¹, Jose Manuel Pérez García¹, Ernesto Tarragón Cros¹, Almudena Ruiz Iniesta¹, Oscar García García¹, Alejandro Villena Moya¹, Matthias Brand³, Marc Nicholas Potenza⁴;
gemma.mestre.bach@gmail.com
¹Universidad Internacional de La Rioja, ²University of Alcalá, ³University of Duisburg-Essen, ⁴Yale School of Medicine

Perspectives on Gambling and Problem Gambling: Clinical and Policy Considerations in the United Kingdom

Henrietta Bowden-Jones; hb584@cam.ac.uk
University of Cambridge

Setting priorities for gambling research: Results of a large-scale expert study

Andrea Czakó¹, Marc N. Potenza², David C. Hodgins³, Yu Shu M.⁴, Anise M. S. Wu⁵, Susana Jimenez-Murcia⁶, Henrietta Bowden-Jones⁷, Daniel King⁸, Joël Billieux⁹, Beáta Bóthe¹⁰, Dan J. Stein¹¹, Gambling Research Priority Setting Consortium¹², Zsolt Demetrovics¹³; andczako@gmail.com

¹Centre of Excellence in Responsible Gaming, University of Gibraltar, Gibraltar, Gibraltar; Institute of Psychology, ELTE Eötvös Loránd University, Budapest, Hungary, ²Yale School of Medicine, United States of America, ³Department of Psychology, University of Calgary, Calgary, Canada, ⁴Centre of Excellence in Responsible Gaming, University of Gibraltar, Gibraltar, Gibraltar, ⁵Department of Psychology, Faculty of Social Sciences, University of Macau, Macao, China; Centre for Cognitive and Brain Sciences, Institute of Collaborative Innovation, University of Macau, Macao, China, ⁶University Hospital Bellvitge and University Barcelona, ⁷Department of Psychiatry, University of Cambridge, UK; National Problem Gambling Clinic & National Centre for Gaming Disorders, London, UK; Department of Brain Sciences, University College London, London, UK, ⁸School of Psychology, The University of Adelaide, Australia; Flinders University Institute for Mental Health and Wellbeing, College of Education, Psychology and Social Work, Flinders University, Bedford Park, South Australia, Australia, ⁹Institute of Psychology, University of Lausanne, Lausanne, Switzerland; Centre for Excessive Gambling, Addiction Medicine, Lausanne University Hospitals (CHUV), Lausanne, Switzerland, ¹⁰Département de Psychologie, Université de Montréal, Montréal, Canada, ¹¹SAMRC Unit on Risk & Resilience in Mental Disorders, Dept of Psychiatry & Neuroscience Institute, University of Cape Town, South Africa, ¹²University of Gibraltar, ¹³Flinders University Institute for Mental Health and Wellbeing, College of Education, Psychology and Social Work, Flinders University; Centre of Excellence in Responsible Gaming, University of Gibraltar; Institute of Psychology, ELTE Eötvös Loránd University

Session 1B

International approaches to digital harms

Time:

Monday, 07/July/2025:
3:30pm - 5:00pm

Location: **Room KL**

Session Chair: **Daniela Vecchio**

Presentations

International approaches to digital harms

Chair(s): **Daniela Vecchio** (South Metropolitan Health Service, Australia)

Presentations of the Symposium

The first legislation in the world to ban Social Media for children under 16 by the Australian Government: its basis, implications and influences in the world.

Wai Chen; wai.chen@health.wa.gov.au
South Metropolitan Health Service

Australian Parliamentary Select Review of Social Media Harms: the enquiry for Social Media Ban legislation.

Daniela Vecchio; daniela.vecchio@health.wa.gov.au
South Metropolitan Health Service

Media use and children: In search of lost time.

Amine Benyamina¹, **Servane Mouton**²; servant.mouton@protonmail.com
¹Hôpital Paul Brousse, Université Paris Saclay, Paris, France;, ²neurologue, Neuville-sur-Saône, France.

Societal impact of online platforms with a focus on addiction risks: Implementing measures for safe use in Germany

Kerstin Paschke; K.Paschke@uke.de
German Center for Addiction Research in Childhood and Adolescence, University Medical Center Hamburg-Eppendorf (UKE),
Martinistrasse 52, D-20246 Hamburg, Germany

Session 1C

Video gaming: Epidemiology, characteristics, and co-occurring problems

Time:

Monday, 07/July/2025:
3:30pm - 5:00pm

Location: Room I

Session Chair: **Lukas Blinka**

Session Chair: **Caterina Primi**

Presentations

The latest national survey on gaming disorder in Japan

Takanobu Matsuzaki, Takashi Kitayuguchi, Satoko Mihara, Yoshiki Koga, Kotaro Nishimura, Susumu Higuchi
Kurihama Medical and Addiction Center, Japan; takanobum@gmail.com

Examining the psychological and mental health correlates of co-occurring PTSD and problematic gaming

Eliscia Siu-Lin Liang Sinclair¹, David C. Hodgins², Matthew T. Keough³, Nassim Tabri⁴, Samantha J. Dawson⁵, Will Shead⁶, Hyoun S. Kim^{1,7}

Exploring Gaming Disorder and substance use: Patterns and associations in adult gamers

Lukas Blinka, Dita Siřínková

Masaryk University, Czech Republic; lukasblinka@gmail.com

Who seeks treatment for gaming? Characteristics of treatment-seeking patients with gaming disorder

Per Bore^{1,2}, Mitchell Andersson^{1,2}, Joel Attvall², Sara Nilsson², Kajsa Oehm¹, Matti Cervin^{1,3}, Anders Håkansson^{1,2}, Emma Claesdotter-Knutsson^{1,3}

¹Lund University, Sweden; ²Clinical addiction research unit, Malmö Addiction Center, Region Skåne, Malmö, Sweden; ³Child and Adolescent Psychiatry, Regional Outpatient Care, Region Skåne, Lund, Sweden; per.bore@med.lu.se

A model to explain the relationships between problematic smartphone use and risky loot box use through problem videogaming in preadolescents

Caterina Primi¹, Carola Beccari¹, Marta Vecchiato², Valentina Veronese², Emilia Serra², Costanza Gori¹, Maria Anna Donati¹

¹University of Florence, Italy; ²Addictions Department, Azienda ULSS n. 4 Veneto Orientale, Venice, Italy; caterina.primi@unifi.it

Session 1D

CSBD/PPU: Cue reactivity and executive function

Time:

Monday, 07/July/2025:
3:30pm - 5:00pm

Location: Room G

Session Chair: Rudolf Stark

Session Chair: Stephanie Antons

Presentations

CSBD/PPU: Cue reactivity and executive function

Chair(s): **Rudolf Stark** (Justus-Liebig U), **Stephanie Antons** (University of Duisburg-Essen, Duisburg, Germany)

Presentations of the Symposium

Craving responses in laboratory settings vs. real life as predictors of problematic pornography use and gaming: An ecological momentary assessment

Anna Knorr, **Matthias Brand**, **Stephanie Antons**; anna.knorr@uni-due.de
University of Duisburg-Essen, Duisburg, Germany

Neural correlates of neural reactivity to distal and proximal cues in individuals with pornography use disorder

Florian Storz, **Dzheylyan Kyuchukova**, **Sina Wehrum-Osinsky**, **Rudolf Stark**; Florian.Storz@psychol.uni-giessen.de
Justus-Liebig University of Giessen, Giessen, Germany

Striatal processing of sexual cues in problematic pornography use and healthy controls: A systematic review

Aron Lichte, **Dzheylyan Kyuchukova**, **Matthias Brand**, **Stephanie Antons**; aron.lichte@uni-due.de
University of Duisburg-Essen, Duisburg, Germany

Executive function and personality factors in problematic pornography use

Kjell Büsche¹, **Kseniya Krikova**², **Lukas Mallon**³, **Silke Müller**¹, **Matthias Brand**¹, **Stephanie Antons**¹; kjell.buesche@uni-due.de

¹University of Duisburg-Essen, Duisburg, Germany, ²Justus-Liebig University of Giessen, Giessen, Germany, ³Ruhr-University Bochum, Bochum, Germany

Measures of cue reactivity/attentional bias as indicators of the severity of pornography use disorder

Dzheylyan Kyuchukova, **Florian Storz**, **Bertram Walter**, **Sina Wehrum-Osinsky**, **Rudolf Stark**; dzheylyan.kyuchukova@psychol.uni-giessen.de
Justus-Liebig University of Giessen, Giessen, Germany

Session 1E

Neuromodulation, pharmacological treatments and new digital interventions for behavioral addictions and compulsive disorders

Time:

**Monday, 07/July/2025:
3:30pm - 5:00pm**

Location: **Room H**

Session Chair: **Giacomo Grassi**

Presentations

Neuromodulation, pharmacological treatments and new digital interventions for behavioral addictions and compulsive disorders

Chair(s): **Giacomo Grassi** (Brain Center Firenze, Italy), **Giovanni Martinotti** (University of Chieti)

Presentations of the Symposium

Understanding and treating behavioral addictions

Beatrice Benatti; beatricebenatti@gmail.com
University of Milan

Neuromodulation and addiction biotypes: a paradigm shift for treatment

Mauro Pettorruso; mauro.pettorruso@hotmail.it
University of Chieti

Behavioral addictions in adult patients with ADHD: prevalence, phenotypes and long-term treatment outcomes

Giacomo Grassi; giacomograssimd@gmail.com
Brain Center Firenze

Is There a Role for Dopaminergic Agonists in Treating OCD and Related Disorders? Insights from Preclinical and Clinical Data

Pedro Morgado; pedromorgado@med.uminho.pt
University of Braga

Session 1F

Video gaming: Personality and motivations

Time:

Monday, 07/July/2025:
3:30pm - 5:00pm

Location: Room J

Session Chair: Aleksandra Zajas

Session Chair: Jaime Katrina Nuske

Presentations

Gaming Disorder and Impulsivity: A Systematic Review and Meta-Analysis

Jaime K Nuske¹, Matthew WR Stevens², Luke D Nuske³, Daniel L King¹

¹Flinders University, Australia; ²The University of Adelaide, Australia; ³Central Adelaide Local Health Network, Australia;
jaime.nuske@flinders.edu.au

The role of impulsivity and self-regulation in predicting Gaming Disorder

Aleksandra Zajas, Paweł Strojny, Paulina Szyszka

Jagiellonian University, Poland; ola.zajas@gmail.com

Schizotypy and Problematic Gaming: Examining the effect of escape and fantasy motives

Mal Flack^{1,2}, Benjamin A McTigue¹, Kim M M Caudwell^{1,2}

¹Faculty of Health, Charles Darwin University, Australia; ²Researchers in Behavioural Addictions, Alcohol and Drugs (BAAD), Charles Darwin University; mal.flack@cdu.edu.au

Is IGD the results of self-medication or impulsivity in a community population? The results of cross-sectional study.

Kunhua Lee, Wong Shin Yi, Yu-Ju Liu

National Tsing Hua University, Taiwan; kunhualee@mx.nthu.edu.tw

"Spending money cannot change fate": Fate control beliefs and risky loot box behaviors among Chinese physical/virtual loot box purchasers: A network analysis approach

Haofeng Ling, Hengyue Zhang, Anise M. S. Wu

Department of Psychology, Faculty of Social Science, University of Macau, Taipa, Macao, China; yc17317@um.edu.mo

Session 1G

Exercise Addiction

Time:

**Monday, 07/July/2025:
3:30pm - 5:00pm**

Location: **Room M**

Session Chair: **Attila Szabo**

Session Chair: **Julia Hormes**

Presentations

How to conceptualise (mal)adaptive involvements into sports and physical exercise?

Damien Brevers

UCLouvain, Belgium; damien.brevers@uclouvain.be

Prevalence of the Risk of Exercise Addiction Based on a New Classification: A Cross-Sectional Study in 15 Countries

Bhavya Chhabra¹, **Umberto Granzio**², **Attila Szabo**¹

¹Eötvös Loránd University (ELTE), Budapest, Hungary; ²University of Padua, Padua, Italy; bhavyac@student.elte.hu

Passion and Exercise Addiction Across Cultures: Insights from Hungarian and Indian Exercisers

Attila Szabo, **Bhavya Chhabra**

ELTE Eötvös Loránd University, Hungary; szabo.attila@ppk.elte.hu

Beyond the Numbers: A Qualitative Inquiry into Exercise Addiction Using the Revised Exercise Addiction Inventory

Dalit Lev Arey, **Michael Golan**

Tel Aviv Academic College, Israel; dalitlevarey@gmail.com

Use of Muscle Building Supplements is Associated with Maladaptive Eating and Exercise Behaviors in Adult Men and Women

Julia Hormes

University at Albany, United States of America; jhormes@albany.edu

Session 1H

Problematic social media use: Individual and interpersonal factors

Time:

Monday, 07/July/2025:
3:30pm - 5:00pm

Location: Room N

Session Chair: **Laura Salerno**

Session Chair: **Natale Canale**

Presentations

The Role of Parents and Peers in Shaping Adolescents' Digital Behaviors: Is there Vicarious Learning?

Arianna Muscolino¹, **Arturo Cocchi**², **Marijn Martens**², **Gianluca Lo Coco**¹, **Mariek Vanden Abeele**²

¹University of Palermo, Italy; ²University of Ghent, Belgium; arianna.muscolino@unipa.it

The influence of parental phubbing on adolescents' problematic social media use: the roles of family and school factors

Natale Canale, **Camilla Gregorini**, **Claudia Marino**, **Federica Angelini**, **Alessio Vieno**

Department of Developmental and Social Psychology, University of Padova, Italy; natale.canale@unipd.it

Partner phubbing and psychological distress among adults in intimate relationships: the mediating role of relationship dissatisfaction.

Laura Salerno, **Rubinia Celeste Bonfanti**, **Maria Teresa Graffeo**, **Maria Di Blasi**

Department of Psychology, Educational Sciences and Human Movement, University of Palermo, Italy; laura.salerno@unipa.it

The role of Metacognitions in Problematic Social Networking Sites Use: A Longitudinal study

Sara Bocci Benucci¹, **Silvia Casale**², **Giulia Fioravanti**²

¹Department of Experimental and Clinical Medicine, University of Florence, Florence, Italy; ²Department of Health Sciences, Psychology section, University of Florence, Florence, Italy; sara.boccibenucci@unifi.it

Dark Personality Traits as Predictors of Problematic Social Networking Site Behaviors

Covadonga González-Nuevo, **Jaime García-Fernández**, **Álvaro Postigo**

University of Oviedo, Spain; gonzalezvcovadonga@uniovi.es

Session 2A

Sexuality and romantic relationships in the light of compulsive sexual behaviors

Time:

Monday, 07/July/2025:
5:30pm - 7:00pm

Location: Auditorium

Session Chair: **Beata Bothe**

Presentations

Sexuality and romantic relationships in the light of compulsive sexual behaviors

Chair(s): **Beata Bothe** (University of Montreal, Canada)

Presentations of the Symposium

Relationships between an individual's and perceived romantic partner's attachment anxiety and avoidance with CSBD and PPU severity: The role of bond quality, emotion regulation, and couple coregulation

Magdalena Wizła¹, **Karol Lewczuk**²; m.wizla@student.uksw.edu.pl
¹Cardinal Stefan Wyszyński University, ²University of Gibraltar

Optimizing trait sexual motivation assessment: The s-TSMQ and its predictive power for problematic pornography consumption

Charlotte Markert, **Bertram Walter**, **Rudolf Stark**; rudolf.stark@psychol.uni-giessen.de
Justus-Liebig University of Giessen

Prospective associations between couples' problematic and non-problematic pornography use and sexual well-being: Results from a preregistered dyadic study

Session 2B

Compulsive buying-shopping disorder meets social network use disorder

Time:

Monday, 07/July/2025:
5:30pm - 7:00pm

Location: Room KL

Session Chair: Astrid Müller

Session Chair: Susana Jimenez-Murcia

Presentations

Compulsive buying-shopping disorder meets social network use disorder

Chair(s): **Astrid Müller** (Hannover Medical School, Germany), **Susana Jiménez-Murcia** (Bellvitge University Hospital, University Hospital of Bellvitge, University of Barcelona, Spain)

Presentations of the Symposium

Updated and gender inclusive prevalence of compulsive buying-shopping disorder: A meta-analysis

Nora Laskowski¹, **Gerrit Brandt¹**, **Christina Ballero Reque¹**, **Patricia Schaar²**, **B. Ove Tetzlaff²**, **Astrid Müller²**, **Georgios Paslakis¹**:
Nora.Laskowski@ruhr-uni-bochum.de

¹Ruhr-University Bochum, Germany, ²Hannover Medical School, Hanover, Germany

A critical view on online shopping as perceived by young mothers who shop excessively

Belle Gavriel-Fried, **Naama Glazer**, **Victoria Kalontarov-Smotritsky**; bellegav@tauex.tau.ac.il

The Bob Shapell School of Social Work, Tel Aviv University, Israel

Association between compulsive buying-shopping disorder and social networks: A systematic review

Gemma Mestre-Bach¹, **Núria Mallorquí-Bagué²**, **Susana Jiménez-Murcia³**, **Astrid Müller⁴**, **Fernando Fernández-Aranda³**, **Marc N. Potenza⁵**; gemma.mestre@unir.net

¹Universidad Internacional de La Rioja, Spain, ²University of Girona, Spain, ³Bellvitge University Hospital, University Hospital of Bellvitge, University of Barcelona, Spain, ⁴Hannover Medical School, Hanover, Germany, ⁵Yale School of Medicine, New Haven, USA

Piloting the modified flicker change blindness task for online buying-shopping disorder and social network use disorder

Patricia Schaar¹, **Damla Burgac¹**, **Jana Theisejans²**, **Lena Klein²**, **Tobias A. Thomas¹**, **Niklas Meurer²**, **Elisa Wegmann²**, **Matthias Brand²**, **Astrid Müller¹**; schaar.patricia@mh-hannover.de

A mindfulness-based program for social network use disorder: A pilot randomized controlled clinical trial

Johannes C. Fendel, **Sarah Ly Brinkmann**, **Annabelle Christ**; johannes.fendel@uniklinik-freiburg.de

Faculty of Medicine, University of Freiburg, Freiburg, Germany

Session 2C

Addictive features in work and love

Time:

Monday, 07/July/2025:
5:30pm - 7:00pm

Location: Room I

Session Chair: Edyta Charzyńska

Session Chair: Lorenzo Borrello

Presentations

The Cost of Being a Woman at Work: The Role of Gender and Country's Gender Inequality in Work Addiction

Edyta Charzyńska¹, Aleksandra Buźniak², Stanisław K. Czerwiński², Zuzanna M. Schneider¹, Natalia Woropay-Hordziejewicz², Klaudia T. Bochniarz², Paweł A. Atroszko²

¹University of Silesia in Katowice, Poland; ²University of Gdańsk, Poland; edyta.charzynska@us.edu.pl

Longitudinal Evidence Linking Obsessive Passion and Relationship Dissatisfaction to Work Addiction

Viktoria Kenyhercz^{1,2}, Zsolt Horvath^{1,3}, Zsolt Demetrovics^{4,1,3}, Bernadette Kun¹

¹Institute of Psychology, ELTE Eötvös Loránd University, Budapest, Hungary; ²Doctoral School of Psychology, ELTE Eötvös Loránd University, Budapest, Hungary; ³Centre of Excellence in Responsible Gaming, University of Gibraltar, Gibraltar, Gibraltar; ⁴College of Education, Psychology and Social Work, Flinders University, Adelaide, Australia; kenyhercz.viktoria@ppk.elte.hu

Love addiction, early maladaptive schemas and modes: an empirical research

Letizia Bazzan¹, **Paolo Antonelli**¹, **Gioele Salvatori**², **Lorenzo Borrello**², **Luca Alaimo**², **Davide Dèttore**¹

¹University of Florence, Italy; ²Integrated Center of Clinical Sexology "Il Ponte", Italy; borrello.lorenzo.97@gmail.com

Love addiction and interpersonal dependency: an empirical research on general population.

Paolo Antonelli¹, **Beatrice Bacci**¹, **Gioele Salvatori**², **Davide Dèttore**¹

¹University of Florence, Italy; ²Integrated Center of Clinical Sexology "Il Ponte", Italy; paolo.antonelli@unifi.it

Love addiction among patients with eating disorders: a pilot study.

Francesca Belluomini¹, **Paolo Antonelli**^{1,2}, **Gioele Salvatori**², **Davide Dèttore**¹

¹University of Florence, Italy; ²Integrated Center of Clinical Sexology "Il Ponte"; francibellu9@gmail.com

Session 2D

FOR2974: The Complexity of Diagnostic Criteria, Psychological Mechanisms and Behavioral Patterns in specific Internet-Use Disorders

Time:

Monday, 07/July/2025:
5:30pm - 7:00pm

Location: Room G

Session Chair: Annica Kessling

Session Chair: Anna Knorr

Presentations

FOR2974: The Complexity of Diagnostic Criteria, Psychological Mechanisms and Behavioral Patterns in specific Internet-Use Disorders

Chair(s): **Annica Kessling** (University of Duisburg-Essen, Germany), **Anna Knorr** (University of Duisburg-Essen, Germany)

Presentations of the Symposium

Comparison of ICD-11 and DSM-5 criteria in screening for specific internet-use disorders

Niklas Meurer¹, **Andreas Oelker¹**, **Silke M. Müller¹**, **Hans-Jürgen Rumpf²**, **Matthias Brand¹**; niklas.meurer@uni-due.de
¹University of Duisburg-Essen, Germany, ²University of Lübeck, Germany

The mediating role of coping-strategies in the relation between personality traits and symptoms of gaming disorder

Lukas Mallon¹, **Stephanie Antons²**, **Kjell Büsche²**, **Silke M. Müller²**, **Matthias Brand²**, **Martin Diers¹**; Lukas.Mallon@rub.de
¹Ruhr University Bochum, Germany, ²University of Duisburg-Essen, Germany

Affective and cognitive functions, impulsivity and compulsivity in compulsive buying-shopping disorder and social-network-use disorder: A comparison

Jana Theisejans¹, **Tobias A. Thomas²**, **Faye Oueslati¹**, **Annica Kessling¹**, **Elisa Wegmann¹**, **Astrid Müller²**, **Matthias Brand¹**;
jana.theisejans@uni-due.de
¹University of Duisburg-Essen, Germany, ²Hannover Medical School, Hannover, Germany

Effects of mood modification on the use of specific Internet applications and interference with everyday life functioning: A multi-level analyses of a 14-day ambulatory assessment study

Andreas Oelker, **Matthias Brand**, **Silke M. Müller**; andreas.oelker@uni-due.de
University of Duisburg-Essen, Germany

Daily patterns and predictors of pathological use of social networks and buying-shopping

Annica Kessling¹, **Andreas Oelker¹**, **Matthias Brand¹**, **Elisa Wegmann¹**, **Astrid Müller²**; annica.kessling@uni-due.de
¹University of Duisburg-Essen, Germany, ²Hannover Medical School, Hannover, Germany

Session 2E

Eating disorders and food addiction

Time:

Monday, 07/July/2025:
5:30pm - 7:00pm

Location: **Room H**

Session Chair: **Guyonne Rogier**

Session Chair: **Repairer Etuk**

Presentations

Behavioral Addictions, Substance Use and Impulsivity as Predictors of Disordered and Binge Eating

Repairer Etuk¹, **Shane W. Kraus**², **Beata Bóthe**³, **Zsolt Demetrovics**⁴, **Marc N. Potenza**¹, **Joshua B. Grubbs**⁵, **Nicolas C. Borgogna**⁶
¹Yale University; ²University of Nevada, Las Vegas; ³University of Montreal; ⁴University of Gibraltar; ⁵University of New Mexico; ⁶University of Alabama at Birmingham; repairer.etuk@yale.edu

Food Addiction and Personality Traits: a Meta-Analysis

Guyonne Rogier¹, **Patrizia Velotti**², **Chiara Ameglio**³, **Giacomo Penco**³, **Aurélien Cornil**^{4,5,6}

Alexithymia, a risk factor for food addiction behaviors

Antoine Joseph Saad
CH LVO Challans, France; saadantoine@gmail.com

Experience of a Telemedicine unit for eating disorders treatment

Bruno Rocher, Isabelle Martineau
CHU de NANTES, France; bruno.rocher@chu-nantes.fr

Validation of the Food Craving Acceptance and Action Questionnaire (FAAQ) in Pregnancy

Julia M. Hormes¹, **C. Alix Timko**^{2,3}
¹University at Albany, United States of America; ²Children's Hospital of Philadelphia; ³University of Pennsylvania School of Medicine; jhormes@albany.edu

Session 2F

Gambling and Help-seeking behaviors

Time:

**Monday, 07/July/2025:
5:30pm - 7:00pm**

Location: **Room J**

Session Chair: **Kengo Yokomitsu**

Session Chair: **Yoshiki Koga**

Presentations

Gambling and Help-seeking behaviors

Chair(s): **Kengo Yokomitsu** (University of Human Environments, Japan), **Yoshiki Koga** (National Hospital Organization Kurihama Medical and Addiction Center)

Presentations of the Symposium

Characteristics of Problem Gambling and Gambling-Related Harm Among the General Gamblers in Japan.

Moritoshi Kido; mt-kido@mizuho-c.ac.jp

Department of Physical and Health Science, Faculty of Human Science, Aichi Mizuho College

Help-seeking experiences of regular gamblers for gambling problems

Eri Shibayama¹, **Yoshiki Koga**¹, **Moritoshi Kido**², **Tatsuya Noda**³, **Chieko Ito**⁴, **Chie Nitta**¹, **Chiyoung Hwang**⁵, **Moemi Shibasaki**¹, **Sachio Matsushita**¹; eri0110psy@gmail.com

¹National Hospital Organization Kurihama Medical and Addiction Center, ²Department of Physical and Health Science, Faculty of Human Science, Aichi Mizuho College, ³Department of Public Health, Health Management and Policy, Nara Medical University, ⁴Nara Prefecture Center for Mental Health and Welfare, ⁵Department of Psychiatric and Mental Health Nursing, Graduate School of Nursing, Mukogawa Women's University

Effectiveness of Internet-based personalized normative feedback for help-seeking behaviors among individuals experiencing problem gambling

Kengo Yokomitsu¹, **Kazuya Inoue**², **Eiichi Kamimura**³, **Sachio Matsushita**⁴, **Ryuhei So**⁵; yokomitsuken5@gmail.com

¹University of Human Environments, ²Graduate School of Human Sciences, Ritsumeikan University, ³Institute of Humanities and Social Sciences, Niigata University, ⁴National Hospital Organization Kurihama Medical and Addiction Center, ⁵Okayama Psychiatric Medical Center

Clinical usefulness of DSM-5 diagnostic criteria in assessing severity of gambling disorder

Sachio Matsushita¹, **Chie Nitta**¹, **Moemi Shibasaki**¹, **Takanobu Matsuzaki**¹, **Ryuhei So**², **Susumu Higuchi**¹; sachio-m@wa2.so-net.ne.jp

¹National Hospital Organization Kurihama Medical and Addiction Center, ²Okayama Psychiatric Medical Center

Session 2G

Gambling and gaming convergence

Time:

Monday, 07/July/2025:
5:30pm - 7:00pm

Location: Room M

Session Chair: Cristina Villalba-García

Session Chair: Atte Oksanen

Presentations

Attentional biases in gambling and video gaming problematic use: An ERP study

Cristina Villalba-García¹, Andrea Czako^{1,2}, Zsolt Demetrovics^{1,2,3}

¹Centre of Excellence in Responsible Gaming, University of Gibraltar, Gibraltar; ²Institute of Psychology, ELTE Eötvös Loránd University, Budapest, Hungary; ³College of Education, Psychology and Social Work, Flinders University, Adelaide, Australia; cristina.villalba-garcia@unigib.edu.gi

Converging or Diverging Paths? The Dynamic Relationship between Excessive Gambling and Excessive Gaming

Atte Oksanen, Janne Vepsäläinen, Eerik Soares Mantere, Sari Hautamäki, Anu Sirola, Iina Savolainen

Tampere University, Finland; atte.oksanen@tuni.fi

Perceived social support as a mediator of the relationship between insecure attachment and problematic gaming and gambling in emerging adults

Maya C. Thulin¹, David C. Hodgins², Matthew T. Keough³, Jonathan David³, Nassim Tabri⁴, Samantha J. Dawson⁵, Will Shead⁶, Karen Milligan¹, Hyoun S. Kim^{1,7}

¹Toronto Metropolitan University, Toronto, Ontario, Canada; ²University of Calgary, Calgary, Alberta, Canada; ³York University, Toronto, Ontario, Canada; ⁴Carleton University, Ottawa, Ontario, Canada; ⁵University of British Columbia, Vancouver, British Columbia, Canada; ⁶Mount Saint Vincent University, Halifax, Nova Scotia, Canada; ⁷University of Ottawa Institute of Mental Health Research at The Royal, Ottawa, Ontario, Canada; mthulin@torontomu.ca

Videogaming, loot box use, and gambling in adolescents: The role of maladaptive cognitions related to videogaming

Maria Anna Donati¹, Costanza Gori¹, Carola Beccari¹, Giuseppe Iraci Sareri², Caterina Primi¹

¹University of Florence, Italy; ²Gruppo Incontro, Pistoia, Italy; mariaanna.donati@unifi.it

Urgency, emotion regulation and motives as potential moderators of sensitivity to experimentally induced compulsivity and craving

Jose López-Guerrero¹, Juan F. Navas², Francisco J. Rivero¹, Ismael Muela¹, Elena-Aurora García-Gómez¹, José C. Perales¹

¹University of Granada, Spain; ²Complutense University of Madrid; joseloque@ugr.es

Session 2H

Mental Health in the Digital Space: Clinical insights into Severe Internet and Gaming Addiction

Time:

Monday, 07/July/2025:
5:30pm - 7:00pm

Location: Room N

Session Chair: Daniela Vecchio

Presentations

Mental Health in the Digital Space: Clinical insights into Severe Internet and Gaming Addiction

Chair(s): Daniela Vecchio (South Metropolitan Health Service, Australia)

Presentations of the Symposium

Gaming Disorder in Adolescents: A case study highlighting multidisciplinary strategies for assessment and intervention

Dylan Romeo, Daniela Vecchio, Wai Chen; dylan.romeo@health.wa.gov.au
South Metropolitan Health Service

Inpatient admission for Gaming Disorder and Social Media Addiction in the context of social anxiety and attention-deficit/hyperactivity disorder (ADHD).

Anuki Kotuwegedara¹, Florentina Iwansantoso², Daniela Vecchio², Wai Chen²; anuki.Kotuwegedara@health.wa.gov.au
¹South Metropolitan health system, ²South Metropolitan Health Service

Clinical assessment and management of Gaming Disorder and Social Media Addiction that lead to extremism, threats of violence, risks to public safety and police involvement.

Daniela Vecchio¹, Damien Turner¹, Blake Sala Tanna¹, Natalie Pyszora², Hu Kim Le¹; daniela.vecchio@health.wa.gov.au
¹South Metropolitan health Service, ²Office of the Chief Health Officer. Department of Health

Resource-Strengthening Training for Adolescents with Problematic Digital-Media Use (Res@t-A): Results of a pilot study in the clinical group setting

Kerstin Paschke; K.Paschke@uke.de
German Center for Addiction Research in Childhood and Adolescence, University Medical Center Hamburg-Eppendorf (UKE)

Session 3A

Advances and innovations in behavioral addiction research

Time:

Tuesday, 08/July/2025:
11:00am - 12:30pm

Location: Auditorium

Session Chair: **Katajun Lindenberg**

Session Chair: **Daniel King**

Presentations

Advances and innovations in behavioral addiction research

Chair(s): **Katajun Lindenberg** (Heidelberg University, Germany), **Daniel King** (Flinders University)

Presentations of the Symposium

Advances and innovations in behavioral addiction assessment

Hans-Jürgen Rumpf; hans-juergen.rumpf@uksh.de
University of Lubeck

Red box, green box: Evaluating an alternative behavioural frequency measure for gaming disorder research

Daniel King; daniel.king@flinders.edu.au
Flinders University

Effectiveness of Prevention of Gaming Disorder and Internet Addiction in Adolescents through CBT vs. media-literacy: A Randomized Controlled Longitudinal Study in 92 School Classes in Germany

Katajun Lindenberg, **Sonja Kewitz**, **Ina Neumann**, **Julia Lardinoix**, **Lutz Wartberg**, **Sebastian Brand**;
katajun.lindenberg@psychologie.uni-heidelberg.de
Heidelberg University

App-based intervention for Problematic Internet Use (PIU) in children and adolescents from 9 countries

Lara Zumrode¹, **Hans-Jürgen Rumpf**¹, **Samantha Schlossarek**¹, **Katajun Lindenberg**², **Christian Montag**³, **Nana Löchner**⁴, **Christopher Kannen**⁴, **David Wellsted**⁵, **Matthias Brand**⁶, **Natalie Hall**⁷, **Celia Sales**⁸, **Carolina Cordeiro**⁸, **Hernâni Zão Oliveira**⁹, **Juliana Monteiro**⁸, **Lior Carmi**¹⁰, **Naomi Fineberg**¹¹, **Bootstrap Consortium**¹; katajun.lindenberg@psychologie.uni-heidelberg.de

Passionate Engagement and Emotional Dynamics in Video Gaming Among Individuals With and Without ADHD: Adaptive and Maladaptive Patterns

Emeline Chauchard¹, **Axelle Moreau**²

¹Université de Poitiers, France; ²Institut Universitaire sur les Dépendances de Montréal, Québec, Canada; emeline.chauchard@univ-poitiers.fr

Conditions That Pose a Risk of Addiction: ADHD or Cognitive Disengagement Syndrome?

Özlem Nida Erbası, **İLYAS KAYA**

ISTANBUL ÜNİVERSİTY, Child and Adolescent Psychiatry, Türkiye; zlemnidaerbasi@gmail.com

Session 3G

Gaming disorder: assessment and typologies

Time:

Tuesday, 08/July/2025:
11:00am - 12:30pm

Location: **Room M**

Session Chair:

Session Chair: **Andrea Stašek**

Presentations

Development and Validation of the Stages of Gaming Disorder Scale (S-GDS): A Clinical Staging Perspective

Minfang Kang¹, Linxuan Xu¹, Jialin Zhang¹, Kunru Song¹, Ziliang Wang², Jintao Zhang¹

¹State Key Laboratory of Cognitive Neuroscience and Learning and IDG/McGovern Institute for Brain Research, Beijing Normal University, Beijing, China; ²ZhenJiang Mental Health Center, China, People's Republic of; 202321061113@mail.bnu.edu.cn

Latent vs. Network Psychometric Validation: The Example of Cross-National Evaluation of the Internet Gaming Disorder Scale in European Adolescents

Andrea Stašek, Lukas Blika

Psychology Research Institute, Masaryk University, Czech Republic; stasek@fss.muni.cz

Latent classes of internet gaming disorder trajectories after EABM training and predictors of classes: Insights from I-PACE and Dual-Systems Theories

Xin Jin, Kunru Song, Jintao Zhang

The State Key Laboratory of Cognitive Neuroscience and Learning, Beijing Normal University, Beijing, China; jxbsfighting@163.com

Adolescents and young adults seeking treatment for cannabis use disorder or gaming disorder: similarities and differences

Céline Bonnaire^{1,2}, Daphnée Thomas¹, Olivier Phan³, Pierre Taquet⁴

¹Université Paris Cité, France; ²Consultation Jeunes Consommateurs, Paris, France; ³Université Versailles Saint-Quentin, France; ⁴Université de Lille, France; celine.bonnaire@u-paris.fr

Session 3H

Behavioral addictions: Miscellaneous

Time:

Tuesday, 08/July/2025:
11:00am - 12:30pm

Location: **Room N**

Session Chair: **Judit Farkas**

Session Chair: **Jeremie Richard**

Presentations

The relationship between personality disorders and behavioral addictions: A systematic review and meta-analysis

Viktória Bodó^{1,2}, Rózsa Vivien Szabó^{1,2}, Barbara Mervó¹, Zsolt Demetrovics^{1,3,4}, Bernadette Kun¹

¹Institute of Psychology, ELTE Eötvös Loránd University, Budapest, Hungary; ²Doctoral School of Psychology, ELTE Eötvös Loránd University, Budapest, Hungary; ³College of Education, Psychology and Social Work, Flinders University, Adelaide, Australia; ⁴Centre of Excellence in Responsible Gaming, University of Gibraltar, Gibraltar; bodo.viktoria@ppk.elte.hu

Substance and behavioral addictions - comparison though childhood trauma, early maladaptive schemas and personality disorder in a dual diagnosis inpatient sample

Judit Farkas^{1,2}, Barbara Mervó¹, Ábel Horváth²

¹Institute of Psychology, ELTE Eötvös Loránd University; ²Nyíró Gyula National Institute of Psychiatry and Addictology; fajudit@gmail.com

Preventing non-substance and substance addictive behaviors in youth: Testing the efficacy of an integrated intervention

Maria Anna Donati¹, Sofia Santisi¹, Alessandra Errico², Giulia Franceschini¹, Guido Mannaioni¹, Giulia Fioravanti²

¹NEUROFARBA Department, University of Florence, Italy; ²Department of Health Sciences, University of Florence, Italy; mariaanna.donati@unifi.it

The Impact of Naturalistic Psychedelic Use on Behavioral Addictions: An Online Survey

Jeremie Richard, Gideon Naude, Jeremy Scott, Albert Garcia-Romeu

Johns Hopkins University, United States of America; jrich144@jh.edu

Your ideal life shapes your shopping: Latent profiles of life goals and their association with shopping addiction

Juliet Honglei Chen¹, Yue Zhao², Anise M. S. Wu³

¹Department of Psychology, Zhejiang Sci-Tech University, Hangzhou, China; ²Department of Psychology, Graduate School of Art and Science, New York University, New York, USA; ³Department of Psychology, Faculty of Social Sciences, University of Macau, Macao, China; JulietHChen@zstu.edu.cn

Reputation, macroeconomic benefit, and fair share: SKAD analysis of the discourse surrounding Gibraltar's new Gambling Bill

Judith Anne Glynn¹, Andrea Czakó^{1,2}, Lia Nower³, Zsolt Demetrovics^{1,2,4}

¹Centre of Excellence in Responsible Gaming, University of Gibraltar, Gibraltar, Gibraltar; ²Institute of Psychology, ELTE Eötvös Loránd University, Budapest, Hungary; ³Center for Gambling Studies, School of Social Work, Rutgers University, New Brunswick, New Jersey, USA; ⁴Flinders University Institute for Mental Health and Wellbeing, College of Education, Psychology and Social Work, Flinders University, Bedford Park, South Australia, Australia; judith.glynn@unigib.edu.gi

Session 4A

Is the components model of addiction truly valid in the context of behavioral addictions?

Time:

Tuesday, 08/July/2025:
1:30pm - 3:00pm

Location: Auditorium

Session Chair: **Loïs Fournier**

Session Chair: **Joël Billieux**

Presentations

Is the components model of addiction truly valid in the context of behavioral addictions?

Chair(s): **Loïs Fournier** (Institute of Psychology, University of Lausanne, Lausanne, Switzerland), **Joël Billieux** (Institute of Psychology, University of Lausanne, Lausanne, Switzerland)

Presentations of the Symposium

The pitfalls of recycling substance use disorder criteria to define behavioral addictions

Joël Billieux, **Loïs Fournier**, **Maëva Flayelle**; joel.billieux@unil.ch
Institute of Psychology, University of Lausanne, Lausanne, Switzerland

Variables associated with intensive but healthy versus problematic gaming: insights from a large sample of Japanese adolescents

Maurane Bosson¹, **Loïs Fournier**¹, **Stéphane Rothen**², **Hiroki Shinkawa**³, **Mami Kamada**⁴, **Tomonari Irie**⁵, **Kengo Yokomitsu**⁶, **Joël Billieux**¹; maurane.bosson@unil.ch
¹Institute of Psychology, University of Lausanne, Lausanne, Switzerland, ²Service of Addiction Medicine, Department of Psychiatry, Geneva University Hospitals, Geneva, Switzerland, ³Faculty of Education, Hirosaki University, Hirosaki, Japan, ⁴Graduate School of Clinical Psychology, Hokusho University, Ebetsu, Japan, ⁵School of Education and Culture, Hokusho University, Ebetsu, Japan, ⁶School of Psychological Sciences, University of Human Environments, Matsuyama, Japan

Are you sure you're assessing a behavioral "addiction"? A critique based on the pathologization of social media use

Loïs Fournier¹, **Adriano Schimmenti**², **Alessandro Musetti**³, **Valentina Boursier**⁴, **Maëva Flayelle**¹, **Ilaria Cataldo**⁵, **Vladan Starcevic**⁶, **Joël Billieux**¹; lois.fournier@unil.ch
¹Institute of Psychology, University of Lausanne, Lausanne, Switzerland, ²Department of Human and Social Sciences, Kore University of Enna, Enna, Italy, ³Department of Humanities, Social Sciences, and Cultural Industries, University of Parma, Parma, Italy, ⁴Department of Humanities, University of Naples Federico II, Naples, Italy, ⁵Department of Psychology and Cognitive Science, University of Trento, Trento, Italy, ⁶Faculty of Medicine and Health, University of Sydney, Sydney, Australia

A tale of two scales: a two-factor approach to social media use with the Social Media Disorder Scale and the Bergen Social Media Addiction Scale

Víctor Ciudad-Fernández¹, **Loïs Fournier**², **Tamara Escrivá-Martínez**¹, **Rosa Baños-Rivera**¹, **Alfredo Zarco-Alpuente**³, **Joël Billieux**²; victor.ciudad@uv.es
¹Department of Personality, Evaluation, and Psychological Treatment, University of Valencia, Valencia, Spain, ²Institute of Psychology, University of Lausanne, Lausanne, Switzerland, ³Department of Basic Psychology, University of Valencia, Valencia, Spain

Are we training ourselves to be addicts? The paradox of ultra-distance athletes and the current model of behavioral addiction

Abel Nogueira-López¹, **Pavao Vlahek**², **Joël Billieux**³, **Elisa García-Alonso**⁴, **Juan González-Hernández**⁵; anogueira@ubu.es
¹Faculty of Health Sciences, University of Burgos, Burgos, Spain, ²Polyclinic Medikol, Čakovec, Croatia, ³Institute of Psychology, University of Lausanne, Lausanne, Switzerland, ⁴International University of La Rioja, Logroño, Spain, ⁵Department of Personality, Evaluation and Psychological Treatment, University of Granada, Granada, Spain

Session 4B

Compulsive sexual behavior disorder and problematic pornography use: societal and clinical implications

Time:

Tuesday, 08/July/2025:
1:30pm - 3:00pm

Location: Room KL

Session Chair: Ewelina Kowalewska

Presentations

Compulsive sexual behavior disorder and problematic pornography use: societal and clinical implications

Chair(s): Ewelina Kowalewska (Centre of Postgraduate Medical Education, Poland)

Presentations of the Symposium

How does the conceptualization of out-of-control sexual behavior shape social, clinical, and legal reactions?

Deborah Canales¹, Susanne Bründl¹, Dan J. Stein², Johannes Fuss¹; johannes.fuss@uni-due.de

¹Institute of Forensic Psychiatry and Sex Research, Center for Translational Neuro- and Behavioral Sciences, University of Duisburg-Essen, Essen, Germany, ²Department of Psychiatry, University of Cape Town, South Africa

Exploring societal awareness, attitudes, and stigmas surrounding CSBD: insights from a nationwide survey in Poland

Ewelina Kowalewska¹, Marcelina Martyńska², Shane W. Kraus³, Michał Lew-Starowicz¹; ewelina.kowalewska@cmkp.edu.pl

¹Department of Psychiatry, Centre of Postgraduate Medical Education, Warsaw, Poland, ²Faculty of Psychology and Cognitive Science, Adam Mickiewicz University in Poznań, ³Department of Psychology, University of Nevada, Las Vegas, NV, USA

Problematic Pornography Use among Swedish adolescents- characteristics and clinical implications

Marta Piwowař¹, Linda Jonsson², Marie Bladh³, Åsa Landberg², Carl-Göran Svedin², Josephine Savard⁴; marta.piwowar@ki.se

¹Department of Medicine, Karolinska Institutet, Stockholm, Sweden, ²Department of Social Sciences, Marie Cederschiöld University, Stockholm, Sweden, ³Department of Biomedical and Clinical Sciences, Linköping University, Linköping, Sweden, ⁴Department of Medicine, Karolinska Institutet, Stockholm, Sweden and Department of Clinical Sciences (Psychiatry), Umeå University, Umeå, Sweden

Longitudinal Study of Compulsive Sexual Behavior Disorder Profiles: Their Prospective Impact on Psychopathology in the Aftermath of Traumatic Events

Yaniv Efrati¹, Dvora Shmulewitz², Vera Skvirsky², Ariel Kor³, Shaul Lev-Ran⁴, Mario Mikulincer⁵; yaniv.efrati@biu.ac.il

¹Bar-Ilan University, Faculty of Education, Ramat Gan, Israel, ²Israel Center on Addiction; Department of Psychology and Azrieli Israel Center for Addiction and Mental Health, The Hebrew University of Jerusalem, ³Israel Center on Addiction; Faculty of Medicine and Azrieli Israel Center for Addiction and Mental Health, The Hebrew University of Jerusalem, ⁴Israel Center on Addiction; Lev Hasharon Medical Center; Sackler Faculty of Medicine, Tel Aviv University, ⁵Department of Psychology and Azrieli Israel Center for Addiction and Mental Health, The Hebrew University of Jerusalem

Effects of testosterone on problematic pornography use and gaming disorder symptoms

Tom Malte Burkardt¹, Matthias Brand¹, Oliver T. Wolf², Silke M. Müller¹; tom.malte.burkardt@uni-due.de

¹General Psychology: Cognition, Faculty of Computer Science, University of Duisburg-Essen, Duisburg, Germany, ²Cognitive Psychology, Institute of Cognitive Neuroscience, Faculty of Psychology, Ruhr University Bochum, Bochum, Germany

Session 4C

Special aspects of problematic social media use

Time:

Tuesday, 08/July/2025:
1:30pm - 3:00pm

Location: Room I

Session Chair: Silvia Casale

Session Chair: Christian Montag

Presentations

On Artificial Intelligence and Problematic Social Media Use

Christian Montag

University of Macau, SAR Macau, China; mail@christianmontag.de

Screen addiction: exploring criteria of Use Disorder as indicators of disordered use of screen-based activities

Axel Allache^{1,2,3}, **Jean-Marc Alexandre**^{1,2,3}, **Marc Auriacombe**^{1,2,3}, **Fuschia Serre**^{1,2,3}

¹University of Bordeaux, F-33076 Bordeaux, France; ²CNRS, SANPSY, UMR 6033, France; ³Pôle Interétablissement d'Addictologie, CH Charles. Perrens and CHU de Bordeaux, F-33076 Bordeaux, France; axel.allache@u-bordeaux.fr

When Fanship Goes Digital: Exploring the Associations of Celebrity Worship with Problematic and Nonproblematic Social Media Use

Rita Horváth¹, **Zsolt Demetrovics**^{1,2,3}, **Ágnes Zsila**^{1,4}

¹ELTE PPK, Hungary; ²Flinders University, Australia; ³Centre of Excellence in Responsible Gaming, University of Gibraltar, Gibraltar; ⁴Pázmány Péter Catholic University, Hungary; rita.horvath.08@gmail.com

Focusing on the virtual body disconnects from one's physical body: Examining the effects of Problematic Social Media Use on mind-body detachment through a longitudinal study

Silvia Casale¹, **Simon Ghinassi**¹, **Giulia Fioravanti**¹, **Jon Elhai**²

¹University of Florence, Italy; ²University of Toledo, USA; silvia.casale@unifi.it

The Impact of bullying perpetration and victimization on social media addiction: A meta-analytic review

Yajie Zhang, **Jintao Zhang**

State Key Laboratory of Cognitive Neuroscience and Learning, Beijing Normal University; 202431061105@mail.bnu.edu.cn

Session 4D

Gambling disorder treatment 1.

Time:

Tuesday, 08/July/2025:
1:30pm - 3:00pm

Location: Room G

Session Chair: Amanda Roberts

Session Chair: Rosalind Baker-Frampton

Presentations

Routine screening for gambling disorder and gambling-related harm within mental health and drug and alcohol services: A feasibility and pilot study

Amanda Roberts, Rebecca Clarke

University of Lincoln, United Kingdom; aroberts@lincoln.ac.uk

Predictors of (early) treatment effect in CBT treatment for Gambling disorder

Anna Gordh, Jessica Mattiasson, Sofia Ljung, Mikael Mide, Annika Hofstedt

Sahlgrenska University Hospital, Sweden; anna.gordh@vgregion.se

Residential treatment efficacy in men and women experiencing gambling harm in the UK

Jake Shiel, **Rosalind Baker-Frampton**

Gordon Moody, United Kingdom; rosalind.baker-frampton@gordonmoody.org.uk

Leveraging the Potential of Digital Interventions for Gambling: Integrating Ecological Momentary Assessment (EMA) and Biometric Monitoring Technologies (BioMeTs)

Esther Kim¹, Hae Kook Lee², Severin Haug³, Andres Meyer³, Min Han Kim¹, Sun Jung Kwon¹, Michael P Schaub³

¹Korea Baptist Theological University, Republic of Korea; ²The Catholic University of Korea Uijeongbu St. Mary's Hospital, Republic of Korea; ³Swiss Research Institute for Public Health and Addiction at Zurich University, Switzerland; est0224@hanmail.net

Gender-sensitive approach to addressing gambling-related harms among women

Adèle Morvannou¹, Nadia L'Espérance⁴, Alexa Martin-Storey¹, Karine Bertrand¹, Magali Dufour², Sylvia Kairouz³, Eva Monson¹, Caroline Temcheff⁵, Emilie Jobin¹, Alex-Anne Bergeron¹, Katerine Lehman¹, Magaly Brodeur¹

¹Université de Sherbrooke, Canada; ²Université du Québec à Montréal; ³Université Concordia; ⁴Centre intégré universitaire de santé et de services sociaux de la Mauricie-et-du-Centre-du-Québec; ⁵Université McGill; adele.morvannou@usherbrooke.ca

Acute and accumulated effects of mindfulness on craving in gambling disorder: A replication case-series study

Elena-Aurora García-Gómez¹, Francisco J. Rivero¹, Jose López-Guerrero¹, Ismael Muela¹, Juan F. Navas², José C. Perales¹

¹University of Granada, Spain; ²Complutense University of Madrid; elenagarcia13@correo.ugr.es

Session 4E

Buying-Shopping Disorder: Phenomenology and correlates of development and maintenance

Time:

Tuesday, 08/July/2025:
1:30pm - 3:00pm

Location: Room H

Session Chair: Patrick Trotzke

Session Chair: Emeline Chauchard

Presentations

Buying-Shopping Disorder: Phenomenology and correlates of development and maintenance.

Chair(s): **Patrick Trotzke** (Department of Clinical Psychology and Psychotherapy, Charlotte Fresenius University of Psychology, Cologne, Germany), **Emeline Chauchard** (University of Poitiers)

Presentations of the Symposium

Development of compulsive buying in various segments of consumer society. The case of Poland.

Grzegorz Adamczyk; grzegorz.adamczyk@kul.pl
Institute of Sociology, Catholic University of Lublin, Poland

Materialism and Compulsive Buying: A Systematic Review and Meta-Analysis

Emeline Chauchard¹, **Giorgia Barbieri**², **Giada Mosto**², **Guyonne Rogier**³; emeline.chauchard@univ-poitiers.fr
¹CeRCA, CNRS, Université de Poitiers, ²Department of Educational Sciences, University of Genoa, Italy, ³Saint Camillus International University of Health and Medical Sciences

Effects of acute stress on cue reactivity and implicit cognitions in online compulsive buying-shopping disorder

Astrid Müller¹, **Maithilee Joshi**¹, **Annica Kessler**², **Nicolas Erdal**¹, **Katja Tilk**¹, **Christian J. Merz**³, **Oliver T. Wolf**³, **Elisa Wegmann**⁴, **Matthias Brand**⁴; Mueller.Astrid@mh-hannover.de
¹Department of Psychosomatic Medicine and Psychotherapy, Hannover Medical School, Hanover, Germany, ²General Psychology: Cognition, Faculty of Computer Science, University of Duisburg-Essen, Duisburg, Germany, ³Department of Cognitive Psychology, Institute of Cognitive Neuroscience, Faculty of Psychology, Ruhr University Bochum, Bochum, Germany, ⁴General Psychology: Cognition, Faculty of Computer Science, University of Duisburg-Essen, Germany

Cue-induced craving and selective attention in the context of buying-shopping disorder

Trotzke Patrick; patrick.trotzke@gmx.de
Department of Clinical Psychology and Psychotherapy, Charlotte Fresenius University of Psychology, Cologne, Germany

Session 4F

Cognition and Impulsivity

Time:

Tuesday, 08/July/2025:
1:30pm - 3:00pm

Location: **Room J**

Session Chair: **Giovanni Albani**

Session Chair: **Clémence Cabelguen**

Presentations

Cognition and Impulsivity

Chair(s): **Giovanni Albani** (Istituto Auxologico Italiano, Italy), **Clemence Cabelguen** (Universités de Nantes et Tours)

Presentations of the Symposium

The bridge connecting substance use disorders and behavioral addiction: a study of somatic symptoms among neurological and psychiatric populations.

Giovanni Albani¹, **Elena Gabutti**², **Patrizia Padula**², **Annalisa Caretti**³, **Carolina Gabutti**², **Valentina Pauselli**³, **Patrizia Morandi**³, **Raffaella Critelli**³, **Michela Soia**³, **Chiara Crosalenz**³; g.albani@auxologico.it

¹Istituto Auxologico Italiano, Verbania, Italy, ²MYWAY Association, Verbania Italy, ³Service for pathological addictions, Local Health Authority, Verbania, Italy

Cognitive dynamics of decision making and impulse-control in addiction

Francesco Di Carlo, **Giovanni Martinotti**; francesco.dic@hotmail.it

University of Chieti, Italy

ADHD in Adults and Neurodegeneration

Carolina Gabutti¹, **Ermelinda Zeppetelli**², **Silvia Lorenzini**¹, **Stefano Corna**³, **Chiara Cecchelli**⁴, **Giacomo Grassi**⁴, **Giovanni Albani**⁵; carolina.gabutti22@gmail.com

¹MYWAY Association, verbania, Italy, ²MYWAY Association, ³Maugeri Foundation, Veruno, Novara, Italy, ⁴Brain Center, Florence, Italy, ⁵Clinical and Research Institute Auxologico Italiano, verbania, Italy

Typologies of patients with behavioral addiction and ADHD: common patterns, specificities

Clémence Cabelguen, **Marie Grall**; Clemence.CABELGUEN@chu-nantes.fr

Universités de Nantes et Tours

Sexuality in Adults with ADHD: Gender Differences, Assessing for Problematic Sexual Behaviours, and Holistic Treatment

Gretchen Blycker; gretchen.blycker@gmail.com

University of Rhode Island, Hålsosam Therapy

Session 4G

Gambling: epidemiology, typology, and assessment

Time:

Tuesday, 08/July/2025:

1:30pm - 3:00pm

Location: Room M

Session Chair: Sabrina Molinaro

Session Chair: Hui Zhou

Presentations

Gambling in the Digital Age: A Nearly Decade-Long Evolution Among European Adolescents (ESPAD 2015-2024)

Sabrina Molinaro, Sonia Cerrai, Elisa Benedetti

National Research Council - Italy, Italy; sabrina.molinaro@cnr.it

Typology of online gambling behaviors during the COVID-19 pandemic: a longitudinal study based on Swedish and French gambling tracking data

Marianne Balem^{1,2,3}, Bastien Perrot^{1,4}, Marie Grall-Bronnec^{1,2}, Anders Håkansson^{3,5}, Gaëlle Challet-Bouju^{1,2}

¹Nantes Université, Univ Tours, CHU Nantes, INSERM, MethodS in Patients centered outcomes and HHealth ResEarch, SPHERE, F-44000 Nantes, France; ²Nantes Université, CHU Nantes, UIC Psychiatrie et Santé Mentale, F-44000 Nantes, France; ³Faculty of Medicine, Department of Clinical Sciences Lund, Psychiatry, Lund University, Lund, Sweden; ⁴Nantes Université, CHU Nantes, Biostatistics and Methodology Unit, Department of Clinical Research and Innovation, F-44000 Nantes, France; ⁵Malmö Addiction Center, Region Skåne, Malmö, Sweden; marianne.balem@chu-nantes.fr

The association between empathy and gambling disorder

Hui Zhou¹, Anise M. S. Wu²

¹Department of Psychology, School of Educational Sciences, Chongqing Normal University, Chongqing, China; ²Department of Psychology, Faculty of Social Sciences, University of Macau, Macao, China; zhouhui@cqu.edu.cn

Development and Validation of the Experiences of Trading Questionnaire: Preliminary Results

Guyonne Rogier¹, Serena Bruno², Yura Loscalzo²

¹Saint Camillus International University of Health and Medical Sciences, Italy; ²Department of Dynamic, Clinical Psychology, and Health studies, University of Rome, Sapienza; guyonne.rogier@gmail.com

Development and Validation of the Indian Aggression Toolbox (I-AT)

Yashita Ahluwalia¹, Siddharth Sarkar¹, Gauri Shanker Kaloiya¹, Vishal Deo², Swarndeeep Singh³, Swati Kedia Gupta⁴, Yatan Pal Singh Balhara¹

¹National Drug Dependence Treatment Centre (NDDTC), All India Institute of Medical Sciences (AIIMS), New Delhi, India; ²Indian Council of Medical Research - National Institute for Research in Digital Health and Data Science, New Delhi, India; ³Department of Psychiatry, Vardhman Mahavir Medical College and Safdarjung Hospital, New Delhi, India; ⁴Department of Psychiatry, All India Institute of Medical Sciences (AIIMS), New Delhi, India; yashitaahluwalia4@gmail.com

Session 4H

Problematic Internet use and problematic social media use

Time:

Tuesday, 08/July/2025:

1:30pm - 3:00pm

Location: Room N

Session Chair: Niko Männikkö

Session Chair: Artemisa Rocha Does

Presentations

Digital Mirrors: Body Image and Problematic Internet Use Across and Related Comorbidities in Ten Countries

Artemisa Rocha Does^{1,2}, Julius Burkaukas³, Irene P. Carvalho^{4,5}, Keep Fit 3 Task Force^{6,7}, Ornella Corazza^{6,7}

¹LabRP-CIR, Escola Superior de Saúde, Universidade Politécnica do Porto, Portugal; ²Laboratory of Neuropsychophysiology, Faculty of Psychology and Education Sciences, University of Porto; ³Laboratory of Behavioral Medicine, Neuroscience Institute, Lithuanian University of Health Sciences; ⁴Clinical Neurosciences and Mental Health Department, Faculty of Medicine, University of Porto; ⁵CINTESIS@RISE, Faculty of Medicine, University of Porto; ⁶Department of Psychology and Cognitive Science, University of Trento; ⁷Department of Clinical, Pharmaceutical and Biological Sciences, School of Life and Medical Sciences, University of Hertfordshire; artemisa@ess.ipp.pt

Bidirectional Relationships Between Loneliness and Problematic Media Use: A Meta-Analysis of Longitudinal Studies

Session 5B

Recent Advances in Understanding the Cognitive, Affective, and Motivational Mechanisms Underlying Problematic Use of Social Media

Time:

Tuesday, 08/July/2025:
3:30pm - 5:00pm

Location: Room KL

Session Chair: Tania Moretta

Session Chair: Elisa Wegmann

Presentations

Recent Advances in Understanding the Cognitive, Affective, and Motivational Mechanisms Underlying Problematic Use of Social Media

Chair(s): **Tania Moretta** (National Research Council of Italy and Department of Theoretical and Applied Sciences, eCampus University, Rome, Italy), **Elisa Wegmann** (Department of General Psychology: Cognition, Faculty of Computer Science, University of Duisburg-Essen, Duisburg, Germany)

Presentations of the Symposium

Usage motives, use expectancies, and coping in problematic social network use

Lena Klein, Matthias Brand, Elisa Wegmann; lena.klein@uni-due.de

Department of General Psychology: Cognition, Faculty of Computer Science, University of Duisburg-Essen, Duisburg, Germany

A network approach to solitary experiences and problematic social media use in young adults: The role of underlying motivations

Mattia Pezzi¹, Andrea Zagaria², Paola Corsano¹, Alessio Gori³, Gianluca Santoro¹, Alessandro Musetti¹; mattia.pezzi@unipr.it

¹Department of Humanities, Social Sciences and Cultural Industries, University of Parma, Parma, Italy, ²Department of Systems Medicine, Tor Vergata University of Rome, Rome, Italy, ³Department of Health Sciences, University of Florence, and Integrative Psychodynamic Psychotherapy Institute (IPPI), Florence, Italy

Session 5E

Understanding problematic binge-watching and short-video use: patterns, predictors, and psychological impacts

Time:

Tuesday, 08/July/2025:
3:30pm - 5:00pm

Location: Room H

Session Chair: Maèva Flayelle

Presentations

Understanding problematic binge-watching and short-video use: patterns, predictors, and psychological impacts

Chair(s): **Maèva Flayelle** (University of Lausanne, Switzerland)

Presentations of the Symposium

What a difference the format makes: Predicting problematic video streaming by contextual and psychological variables in a representative adolescent sample

Jan-Ole Cloes, Kerstin Paschke; j.cloes@uke.de
University Medical Center Hamburg-Eppendorf (UKE), Germany

Differences in viewing patterns and motives in binge-watching: an analysis of a sample of French students

Vincent Bresdin¹, Marianne Balem¹, Gaëlle Challet-Bouju¹, Maèva Flayelle², Joël Billieux², Marie Grall-Bronnec¹, Edouard-Jules Laforge¹; edouard.laforge@chu-nantes.fr

A pilot prevention program using an escape game to inform about screen-related risks in children aged 7 to 12 years

Mélina Andronicos¹, **Camille Antoniazza**¹, **Sarah Berset**¹, **Céleste Chappuis**¹, **Lucien Rochat**², **Joël Billieux**³; melina.andronicos@chuv.ch

¹Center for Excessive Gambling, Service of Addiction Medicine, Department of Psychiatry, Lausanne University Hospital, Lausanne, Switzerland, ²Specialized Facility in Behavioral Addiction ReConnecte, Department of Mental Health and Psychiatry, University Hospitals of Geneva, Geneva, Switzerland, ³Institute of Psychology, University of Lausanne, Lausanne, Switzerland. & Center for Excessive Gambling, Service of Addiction Medicine, Department of Psychiatry, Lausanne University Hospital, Lausanne, Switzerland

Session 6A

Problematic smartphone use & Problematic social media use

Time:

**Tuesday, 08/July/2025:
5:30pm - 7:00pm**

Location: Auditorium

Session Chair: **Jon Elhai**

Session Chair: **Beatrix Koronczai**

Presentations

Which underlying major depression symptom dimensions are most closely related to problematic smartphone use and problematic social media use severity?

Jon Elhai¹, Silvia Casale²

¹University of Toledo, United States of America; ²University of Florence, Italy; jonelhai@gmail.com

Longitudinal Associations Between Emotion Dysregulation and Problematic Media Use in Early Adolescence: Results from the ABCD Study

Sarah Elizabeth Domoff¹, Kylie Woodman², Sarah Karalunas³

¹University at Albany, United States of America; ²University of California, Santa Barbara; ³Purdue University; sdomoff@albany.edu

Social Media Motives Scale: a new questionnaire for measuring the motives of social media use

Beatrix Koronczai¹, Zsolt Horváth^{1,2}, Andrea Czako^{1,2}, Zsolt Demetrovics^{1,2,3}

¹ELTE Eötvös Loránd University, Hungary; ²Centre of Excellence in Responsible Gaming, University of Gibraltar, Gibraltar, Gibraltar;

³College of Education, Psychology and Social Work, Flinders University, Adelaide, Australia; koronczai.beatrix@ppk.elte.hu

An Adaptive Elastic Net Regression Analysis of Problematic Smartphone Use Severity, Investigating Associations with Measures of Depression, Fear of Missing Out, Worry, Life-Threatening Experience, and Ruminative Response

Joshua R. Williams¹, Silvia Casale², Jon D. Elhai¹

¹University of Toledo, United States of America; ²University of Florence, Italy; joshua.williams10@utoledo.edu

The Psychophysiological Impact of Using and Stopping to Use Instagram

Niklas Ihssen, Michael Wadsley

Durham University, United Kingdom; niklas.ihssen@durham.ac.uk

Session 6B

Chemsex: Risk and protective factors, health impact and treatment options

Time:

Tuesday, 08/July/2025:
5:30pm - 7:00pm

Location: Room KL

Session Chair: Cora von Hammerstein

Session Chair: Joel Billieux

Presentations

Chemsex: Risk and protective factors, health impact and treatment options.

Chair(s): **Cora von Hammerstein** (Université de Paris Cité, INSERM UMR-S1144, Paris, France Assistance Publique – Hôpitaux de Paris, Hôpital René Muret, Département d'addictologie, Sevran, France), **Joël Billieux** (Institute of Psychology, University of Lausanne, Lausanne, Switzerland Centre for Excessive Gambling, Addiction Medicine, Lausanne University Hospitals (CHUV), Lausanne, Switzerland)

Presentations of the Symposium

Identifying and characterizing plausible chemsex users from non-specific items across sexual behaviors and substance use scales.

Norman Therribout¹, Beáta Böthe², Léna Nagy³, Mónika Koós⁴, Shane W. Kraus⁵, Marc N. Potenza⁶, Zsolt Demetrovics⁷, International Sex Study Consortium⁸, Joël Billieux⁹, Romain Icick¹⁰, Cora von Hammerstein¹¹; Norman.therribout@aphp.fr

Session 7B

Gaming disorder: Treatment

Time:

**Wednesday, 09/July/2025:
11:00am - 12:30pm**

Location: **Room KL**

Session Chair: **Annika Hofstedt**

Session Chair: **Huei-chen Ko**

Presentations

Advantages of a non total abstinence therapeutic strategy for adolescents with internet gaming disorder

Daniel Illy

Asklepios, Germany; info@daniel-illy.de

Intrapersonal and interpersonal ambivalence in conjoint sessions: Insights from collective motivational interviewing with adolescents and parents addressing gaming problems

Nick Tse, Natalie Sze-Nga Pang

Department of Applied Social Sciences, HKCT Institute of Higher Education, Hong Kong S.A.R. (China); nickkwts@gmail.com

Short-Falls of Psychological Interventions for Internet Gaming Disorder & Path Ahead

Nitin Anand, Manoj Kumar Sharma

Service for Healthy Use of Technology (SHUT) Clinic, National Institute of Mental Health & Neuro Sciences (NIMHANS), Bangalore, India; nitinanand19800@gmail.com

Patients' descriptions of why it is difficult to gain control over their gaming behavior: a qualitative interview study

Annika Hofstedt, Kerstin Ulin, Anna Söderpalm Gordh

Sahlgrenska University hospital, Sweden; annika.hofstedt@vgregion.se

Effectiveness of Two App-Based CBT Interventions in Mitigating Gaming Addiction Risk among College Students

Huei-chen Ko, Yi-Shan Chen

Asia University, Taiwan; jennyko@asia.edu.tw

Session 7C

Gambling related suicide: A novel approach to investigation

Time:

**Wednesday, 09/July/2025:
11:00am - 12:30pm**

Location: **Room I**

Session Chair: **Amanda Roberts**

Presentations

Gambling related suicide: A novel approach to investigation

Chair(s): **Amanda Roberts** (University of Lincoln, United Kingdom)

Presentations of the Symposium

Gambling and suicide: a psychological autopsy and qualitative inquiry initial findings

Emily Beck¹, **Amanda Roberts**²; emily@gamblingwithlives.org
¹Gambling with Lives, ²University of Lincoln

Gambling and suicide: a psychological autopsy quantitative data

Richard James; richard.james4@nottingham.ac.uk
University of Nottingham

Gambling and suicide: the role of individuals with Lived Experience

Steve Sharman¹, **Annie Ashton**²; stephen.p.sharman@kcl.ac.uk
¹King's College London, ²University of Lincoln

Coroners' attitudes towards gambling related suicide

Annie Ashton; 28796390@students.lincoln.ac.uk
University of Lincoln

Session 7D

Affective and cognitive mechanisms of specific Internet-use disorders – current results of the Research Unit FOR2974

Time:

Wednesday, 09/July/2025:
11:00am - 12:30pm

Location: Room G

Session Chair: Matthias Brand

Presentations

Affective and cognitive mechanisms of specific Internet-use disorders – current results of the Research Unit FOR2974

Chair(s): **Matthias Brand** (University of Duisburg-Essen, Germany)

Presentations of the Symposium

Cue-reactivity in specific Internet-use disorders

Stephanie Antons¹, **Rudolf Stark**², **FOR2974 Consortium**¹; stephanie.antons@uni-due.de
¹University of Duisburg-Essen, Germany, ²University of Giessen, Germany

Interplay of positive and negative reinforcement mechanisms in specific Internet-use disorders

Elisa Wegmann, **Matthias Brand**, **FOR2974 Consortium**; elisa.wegmann@uni-due.de
University of Duisburg-Essen, Germany

Self-control in specific Internet-use disorders: Results from self-report measures and objective neurocognitive tasks

Silke M. Müller, **Matthias Brand**, **FOR2974 Consortium**; silke.m.mueller@uni-due.de
University of Duisburg-Essen, Germany

Interactions between affective and cognitive mechanisms that explain the symptom severity of specific Internet-use disorders

Matthias Brand¹, **Sabine Steins-Loeber**², **FOR2974 Consortium**¹; matthias.brand@uni-due.de
¹University of Duisburg-Essen, Germany, ²University of Bamberg, Germany

Prediction of symptom severity of specific Internet-use disorders in a 6-month follow-up

Astrid Müller¹, **Andreas Oelker**², **FOR2974 Consortium**²; Mueller.Astrid@mh-hannover.de
¹Hannover Medical School, Germany, ²University of Duisburg-Essen, Germany

Session 7E

Internet use disorders over time: Prevalences and treatment efficacy in adolescents and young adults

Time:

Wednesday, 09/July/2025:
11:00am - 12:30pm

Location: Room H

Session Chair: Kerstin Paschke

Session Chair: Katajun Lindenberg

Presentations

Internet use disorders over time: Prevalences and treatment efficacy in adolescents and young adults

Chair(s): **Kerstin Paschke** (University Medicine Hamburg-Eppendorf, Germany), **Katajun Lindenberg** (Heidelberg University)

Presentations of the Symposium

Prevalence of Gaming Disorder in Representative Samples of German Children and Youth: From pre- to post-pandemic Developments

Katharina Busch¹, **Hanna Wiedemann**¹, **Kerstin Paschke**²; ka.busch@uke.de

¹University Medicine Hamburg-Eppendorf, Germany, ²University Medical Center Hamburg-Eppendorf

From pre- to post-COVID-19 pandemic: Development of Social Media Use Disorder prevalence in children and youth in Germany

Hanna Wiedemann, **Kerstin Paschke**; ha.wiedemann@uke.de

University Medical Center Hamburg-Eppendorf

Update on the Prevalence of Online Behavioral Addiction Symptoms in Adolescents and Their Development Over Time

Sonia Kewitz¹, **Ina Neumann**¹, **Julia Lardinoix**¹, **Sebastian Brand**¹, **Lutz Wartberg**², **Katajun Lindenberg**¹;

sonja.kewitz@psychologie.uni-heidelberg.de

¹Heidelberg University, ²Medical School Hamburg

Efficacy of an Approach-Avoidance-Based App Training (PROTECTapp) to Reduce Problematic Internet Use in Emerging Adults: A Randomized Controlled Trial

Daniel Huth, **Sebastian Brand**, **Katajun Lindenberg**; daniel.huth@psychologie.uni-heidelberg.de

Heidelberg University

Session 7F

Video gaming: neural and reward mechanisms

Time:

Wednesday, 09/July/2025:
11:00am - 12:30pm

Location: Room J

Session Chair: Jennifer Jiyun Park

Session Chair: Zsuzsanna Viktória Pesthy

Presentations

Connectome-based prediction of problematic gaming in adolescents

Jennifer J. Park¹, Cheryl Lacadie², Dustin Scheinost², Li Yan McCurdy^{1,2}, Marc N. Potenza^{*1,3,4,5,6}, Yihong Zhao^{*7}

¹Department of Psychiatry, Yale University School of Medicine, New Haven, CT, USA; ²Department of Radiology and Biomedical Imaging, Yale University School of Medicine, New Haven, CT, USA; ³Child Study Center, Yale University School of Medicine, New Haven, CT, USA; ⁴Department of Neuroscience, Yale University School of Medicine, New Haven, CT, USA; ⁵Connecticut Council on Problem Gambling, Wethersfield, CT, USA; ⁶Connecticut Mental Health Center, New Haven, CT, USA; ⁷Columbia University School of Nursing, New York, NY, USA; jennifer.j.park@yale.edu

Habitual and Goal-Directed Processes in Gaming: Cognitive Insights from Non-Gamers, Gamers, and Gaming Disorder Risk Groups

Zsuzsanna Viktória Pesthy^{1,2}, Krisztina Berta^{1,2}, Teodóra Vékony^{3,5}, Dezső Németh^{3,4,5}, Bernadette Kun¹

¹Institute of Psychology, ELTE Eötvös Loránd University, Budapest, Hungary; ²Doctoral School of Psychology, ELTE Eötvös Loránd University, Budapest, Hungary; ³Centre de Recherche en Neurosciences de Lyon, INSERM, CNRS, Université Claude Bernard Lyon 1, CRNL U1028 UMR5292, Bron, France; ⁴NAP Research Group, Institute of Psychology, Eötvös Loránd University & Institute of Cognitive Neuroscience and Psychology, Research Centre for Natural Sciences, Budapest, Hungary; ⁵Department of Education and Psychology, Faculty of Social Sciences, University of Atlántico Medio, Las Palmas de Gran Canaria, Spain; zsuzsanna.pesthy@gmail.com

Navigating Exploitative Traps: Unveiling the Uncontrollable Reward Seeking of Internet Gaming Disordered Individuals

Lin Zuo

University of Science and Technology of China, China, People's Republic of; z1186156@ustc.edu.cn

Effects of retrieval-extinction training on internet gaming disorder

Zhengde Wei

University of Science and Technology of China, China, People's Republic of; zdwei@ustc.edu.cn

Shared and Unique Treatment Responses on Resting-state Functional Connectivity in Internet Gaming Disorder: A Comparison between Two Different Intervention Programs

Ziheng Zhao, Kunru Song, Jintao Zhang

Beijing Normal University, China, People's Republic of; ltxzzh2000@163.com

REWARD – rTMS Effects in Adolescent Behavioural Addictions and Depression

Johanna Katharina Loy, Lena Pokorny, Stephan Bender

University Hospital of Cologne, Germany; johanna.loy@uk-koeln.de

Session 7G

Gambling and reward mechanisms

Time:

Wednesday, 09/July/2025:
11:00am - 12:30pm

Location: Room M

Session Chair: **Hermano Tavares**

Session Chair: **Melissa D'Ettorre**

Presentations

Extended Computational Models of Sequential Reinforcement Learning For Application in Gambling Disorder

Angela Mariele Brands, David Mathar, Jan Peters

Department of Psychology, Biological Psychology, University of Cologne, Cologne, Germany, Germany; a.brands@uni-koeln.de

Gambling disorder, beyond reward sensitization: insensitivity to frustration

Hermano Tavares, Raquel Berg, Leticia Croccoli

Institute and Department of Psychiatry, University of São Paulo, Brazil; hermano.tavares@fm.usp.br

the Characteristic Divergence in Neural Responses to Risk-win and Risk-lose Rewards in Gambling Disorder

Amy Jing-Wen Yin^{1,2,4}, Anise M.S. Wu^{2,4}, Robin Chark^{3,4}

¹Department of Psychiatry, Affiliated Hospital of Guangdong Medical University, Zhanjiang, PRC; ²Faculty of Social Sciences, University of Macau, Macau, PRC; ³Faculty of Business Administration, University of Macau, Macau, PRC; ⁴Centre for Cognitive and Brain Sciences and Faculty of Health Science, University of Macau, Macau, PRC; amysays@live.com

Gambling-related stimuli for attentional bias (GASAB) research: A new database for gambling studies

Melissa D'Ettorre, Adolfo Di Crosta, Piero Porcelli, Maria Cristina Verrocchio, Rocco Palumbo, Daniela Marchetti

"G. D'Annunzio" University of Chieti-Pescara, Chieti, Italy; melissa.dettorre@phd.unich.it

The protective role of emotional intelligence on gambling disorders among Chinese gamblers

Hengyue Zhang¹, Juliet Honglei Chen², Anise M. S. Wu^{1,3}

¹Department of Psychology, Faculty of Social Sciences, University of Macau, Macao, China; ²Department of Psychology, Faculty of Social Sciences, Zhejiang Sci-Tech University, China; ³Centre for Cognitive and Brain Sciences, Institute of Collaborative Innovation, University of Macau, Macao, China; yc37308@um.edu.mo

Session 7H

Gambling: Craving, motives, and personality

Time:

Wednesday, 09/July/2025:
11:00am - 12:30pm

Location: Room N

Session Chair: Thomas Westerberg

Session Chair: Youssef Allami

Presentations

Subtyping people with gambling problems to understand recovery and substitution trajectories across addictive behaviours

Youssef Allami¹, Nolan B Gooding², Darren R Christensen³, Andrew HS Kim⁴, David C Hodgins²

¹Université Laval, Canada; ²University of Calgary, Canada; ³University of Lethbridge, Canada; ⁴Toronto Metropolitan University, Canada; youssef.allami@psy.ulaval.ca

Exploring the Importance of Craving in Swedish Gamblers

Thomas Westerberg¹, Anders Håkansson², Kristina Berglund¹

¹The Department of psychology, University of Gothenburg, Sweden; ²Unit for Clinical Addiction Research, University of Lund, Malmö, Sweden; thomas.westerberg.2@psy.gu.se

Which Motives Mediate the Links Between Depression and Anxiety with Problematic Sports Betting?

Jonathan David¹, Hyoun S. Kim², Matthew T. Keough¹

¹York University, Canada; ²Toronto Metropolitan University, Canada; j david1@yorku.ca

Dark Triad Traits and Financial Risk-Taking: Examining Patterns in Gambling Behavior and Personality

Maayan Nagar¹, **Sharon Rabinovitz**²

¹Ariel University, Israel; ²University of Haifa, Israel; sharonrs123@gmail.com

Comparative qualitative analysis of recovery process dynamics in gambling disorder: stages and influencing factors

Agathe Mansueto^{1,2}, Gaëlle Challet-Bouju^{1,2}, Jean-Benoit Hardouin^{2,3,4}, Grall-Bronnec Marie^{1,2}

¹Nantes Université, CHU Nantes, UIC Psychiatrie et Santé Mentale, F-44000 Nantes, France; ²Nantes Université, Univ Tours, CHU Nantes, INSERM, MethodS in Patient-Centered Outcomes and HEalth ResEarch, SPHERE, F-44000 Nantes, France; ³Department of Clinical Research and Innovation, Biostatistics and Methodology Unit, Nantes Université, CHU Nantes, F-44000 Nantes, France; ⁴Public Health Department, Nantes Université, CHU Nantes, F-44000 Nantes, France; agathe.mansueto@chu-nantes.fr

Session 8A

New approaches in the study of behavioral addictions

Time:

Wednesday, 09/July/2025:
1:30pm - 3:00pm

Location: Auditorium

Session Chair: Shu Kit Eric Tam

Session Chair: Richard James

Presentations

A systematic review of longitudinal studies on the temporal stability of behavioral addictions: The effects of methodology, analytical approach and recommendations for future research

Piotr Mateusz Luszcz, Oliwia Kosecka, Aleksandra Bereznowska, Piotr Bereznowski, Bartosz Atroszko, Paweł Andrzej Atroszko
Gdansk University, Poland; piotr.luszcz@phdstud.ug.edu.pl

Towards a Consensual Definition of Craving from a Transdiagnostic Perspective: A Research Protocol

Aurélien Cornil^{1,2,3}, Charlotte Lescuyer³, Valentin Flaudias^{3,4,5}

¹Adaptation, Resilience and Change (ARCh), Faculty of Psychology, Speech and language therapy and Education (FPLSE), ULiège, Belgium; ²Psychological Sciences Research Institute (IPSY), UCLouvain, Belgium; ³Laboratoire de Psychologie des Pays de la Loire (LPPL), Nantes Université, France; ⁴Laboratoire de Psychologie Sociale et Cognitive (LAPSCO – CNRS), University Clermont Auvergne, France; ⁵Pôle Psychiatrie B, Centre Hospitalier Universitaire Clermont-Ferrand, France; aurelien.cornil@uliege.be

Open Scientific Practice in Problematic Smartphone Use Research: An Empirical Study

Richard James

University of Nottingham, United Kingdom; lpzri@nottingham.ac.uk

A Novel Model Relevant to Behavioural Addiction: Using Light to Establish a Persistent Habit in Mice

Shu Kit Eric Tam¹, Aleksandra Stryjska¹, Helene Gu¹, Xiaoduo Cheng¹, Bonnie Cabot¹, Sze Chai Kwok¹, Benjamin Becker²

¹Duke Kunshan University, Kunshan, Jiangsu Province, People's Republic of China; ²The University of Hong Kong, Hong Kong, People's Republic of China; shukiteric.tam@dukekunshan.edu.cn

Unintended positive effects observed in the self-reported data collection process via smartphone for developing addictive behavior prediction algorithms: Methodological implication in digital intervention research

Jae Seok Kwak¹, Hae Kook Lee¹, Sun jung Kwon², Haejung Lee³, Minhan Kim²

¹The Catholic University of Korea, Korea, Republic of (South Korea); ²Korea Baptist Theological University; ³Institute of Psychological and Behavioral Science; jaeseok3979@naver.com

Session 8B

Updates in Gambling disorder: from Risk Profiles to Innovative Treatment Approaches

Time:

**Wednesday, 09/July/2025:
1:30pm - 3:00pm**

Location: **Room KL**

Session Chair: **Susana Jimenez-Murcia**

Session Chair: **Fernando Fernandez-Aranda**

Presentations

Updates in Gambling disorder: from Risk Profiles to Innovative Treatment Approaches

Chair(s): **Susana Jimenez-Murcia** (University Hospital Bellvitge and University Barcelona, Spain), **Fernando Fernández-Aranda** (University Hospital Bellvitge and University Barcelona, Spain)

Presentations of the Symposium

Predictive Models for Gambling Disorder: A Neural Network Approach

Susana Jiménez-Murcia; sjimenez@bellvitgehospital.cat
University Hospital of Bellvitge

Understanding and preventing Gambling harm among young Dutch adults

Ruth van Holst; ruthvan.holst@gmail.com
Amsterdam University Medical Center

Clinical assessment and treatment outcome in gambling disorder – the role of unlicensed gambling and mental health comorbidities

Anders Håkansson; anders_c.hakansson@med.lu.se
Lund University

A Serious Game approach for Reducing Arousal and Improving Emotional in patients with Gambling Disorder

Lucero Munguía; lmunguia@idibell.cat
CIBER Obesity and Nutrition Pathophysiology

Session 8C

Uncovering the Complexities of Sports Betting: Understanding Responsible Behaviors and Problematic Patterns through Research and Treatment Findings

Time:

Wednesday, 09/July/2025:
1:30pm - 3:00pm

Location: Room I

Session Chair: Shane Kraus

Session Chair: Joshua B. Grubbs

Presentations

Uncovering the Complexities of Sports Betting: Understanding Responsible Behaviors and Problematic Patterns through Research and Treatment Findings

Chair(s): **Shane W Kraus** (University of Nevada, Las Vegas, United States of America), **Joshua B Grubbs** (University of New Mexico and Center on Alcohol, Substance Use, And Addictions (CASAA))

Presentations of the Symposium

Exploring the Relationships between Responsible and Problematic Sports Gambling Behaviors Across Time

Alex J Connolly¹, **Shane W Kraus**², **Joshua B Grubbs**³; aconnolly1@unm.edu

¹University of New Mexico, ²University of Nevada, Las Vegas, ³University of New Mexico and Center on Alcohol, Substance Use, And Addictions (CASAA)

Are Gambling Motives All The Same? The Psychometric Properties of the GMQ-F amongst Sports Bettors

Jama Maxie¹, **Sophie G Coelho**², **Matthew T Keough**², **Johnathan David**², **Hyoun S. (Andrew) Kim**¹; jama.maxie@torontomu.ca

¹Toronto Metropolitan University, Toronto, ²York University, Toronto

Examining the interactive role of emotion regulation and impulsivity in in-play sports betting

Jenna L Vieira¹, **2. Hyoun S. (Andrew) Kim**¹, **Luke Clark**², **Nassim Tabri**³, **Michael J.A. Wohl**³; jlvieira@torontomu.ca

¹Toronto Metropolitan University, Toronto, ²University of British Columbia, Vancouver, ³Carleton University, Ottawa

Impacts of Sports Knowledge and Responsible Gambling in Sports Gamblers Treatment Seeking Behavior

Jennifer T. Grant Weinandy¹, **Alex J Connolly**², **Shane W Kraus**³, **Joshua Grubbs**⁴; jgrantweinandy@ohio.edu

¹Ohio University, ²University of New Mexico, ³University of Nevada, Las Vegas, ⁴University of New Mexico and Center on Alcohol, Substance Use, And Addictions (CASAA)

Beyond Sports Betting Legalization: Comparing Problem Gambling Risk Patterns in Legal and Illegal States

Tiange Xu¹, **Joshua B Grubbs**², **Shane W Kraus**¹; xut2@unlv.nevada.edu

¹University of Nevada, Las Vegas, ²University of New Mexico and Center on Alcohol, Substance Use, And Addictions (CASAA)

Session 8D

Video gaming and its social context

Time:

Wednesday, 09/July/2025:
1:30pm - 3:00pm

Location: Room G

Session Chair: Sonia Cerrai

Session Chair: Camilla K.M. Lo

Presentations

Gaming, Social Media, and Cyberbullying: The Digital Acceleration in Adolescent Behavior During the COVID-19 Era (ESPAD 2019-2024)

Sonia Cerrai^{1,2}, **Elisa Benedetti**¹, **Silvia Biagioni**^{1,3}, **Marco Scalese**¹, **Sabrina Molinaro**¹

¹Institute of Clinical Physiology, Italian National Council of Research, Italy; ²Department of Epidemiology, Care and Public Health Research Institute, Maastricht University, Maastricht; ³Department of Surgical, Medical and Molecular Pathology and Critical Care Medicine, University of Pisa; sonia.cerrai@ifc.cnr.it

Longitudinal Impacts of Gaming Disorder on Offline and Online Social Interactions and Relationships

Hyekyung Choo¹, **Douglas Gentile**², **Angeline Khoo**³

¹National University of Singapore, Singapore; ²Iowa State University; ³National Institute of Education, Nanyang Technological University; swkch@nus.edu.sg

Association between problematic digital technology use and psychological distress of affected others: A systematic review and meta-analysis

Toshitaka Hamamura¹, **Kyosuke Kaneko**¹, **Taiki Oka**², **Daniel King**³

¹National Center for Cognitive Behavior Therapy and Research, National Center of Neurology and Psychiatry, Japan; ²The Department of Decoded Neurofeedback, Computational Neuroscience Laboratories, Advanced Telecommunications Research Institute International (ATR), Japan; ³College of Education, Psychology and Social Work, Flinders University, Australia; toshitaka.hamamura@gmail.com

The association between parents' emotions and adolescents' gaming duration and risk for gaming disorder: An ecological momentary assessment study

Camilla K.M. Lo

The Hong Kong Polytechnic University, Hong Kong S.A.R. (China); camilla.lo@polyu.edu.hk

From Enjoyment to Problematic Online Gaming: A Cluster Analysis of Relationships with Basic Psychological Needs and Sociotropy

Cédric Plessis^{1,2}, **Emin Altintas**¹, **Guerrien Alain**¹

¹University Lille, ULR 4072 - PSITEC - Psychologie : Interactions, Temps, Émotions, Cognition, 59000 Lille, France; ²Whip Up Labs; cedric.plessis@univ-lille.fr

Session 8E

Cyberchondria: State of the Art

Time:

**Wednesday, 09/July/2025:
1:30pm - 3:00pm**

Location: **Room H**

Session Chair: **Vladan Starcevic**

Session Chair: **Joel Billieux**

Presentations

Cyberchondria: State of the Art

Chair(s): **Vladan Starcevic** (University of Sydney, Australia), **Joël Billieux** (University of Lausanne, Switzerland)

Presentations of the Symposium

Risk factors, epidemiology and public health implications of cyberchondria

Richard Xu¹, Ivy Lin¹, Chenxi Yang¹, Vladan Starcevic²; richard.xu@polyu.edu.hk

¹Hong Kong Polytechnic University, Hong Kong, ²University of Sydney, Australia

Relationships between cyberchondria and psychopathological constructs

Yasser Khazaal¹, Vladan Starcevic²; yasserk1000@gmail.com

¹University of Lausanne, Switzerland, ²University of Sydney, Australia

Dr. Google goes viral: A narrative review of cyberchondria research during COVID-19 pandemic

Alexandre Infanti¹, Joël Billieux², Vladan Starcevic³; infanti.alexandre@gmail.com

¹Université Paris Cité, France, ²University of Lausanne, Switzerland, ³University of Sydney, Australia

Prevention and management of cyberchondria

Vladan Starcevic¹, Yasser Khazaal², Joël Billieux²; vladan.starcevic@sydney.edu.au

¹University of Sydney, Australia, ²University of Lausanne, Switzerland

Session 8F

Problematic Pornography Use

Time:

Wednesday, 09/July/2025:
1:30pm - 3:00pm

Location: Room J

Session Chair: Anna Ševčíková

Session Chair: Campbell Ince

Presentations

Problematic Pornography Use in Individuals with or without Paraphilic Preferences: Insights from a large representative sample of Czech adults

Anna Ševčíková¹, Lukas Blinky¹, Kateřina Klapilová²

¹Masaryk University, Brno, Czech Republic; ²National Institute of Mental Health, Klecany, Czech Republic; asevciko@fss.muni.cz

Longitudinal relationships between pornography-related tolerance and problematic pornography use: A multi-sample, twelve-month examination with cross-lagged panel networks

Campbell Ince¹, Jeggan Tiego¹, Lucy Albertella¹, Leonardo Fontenelle^{2,3}, Murat Yucel⁴, Samuel Chamberlain^{5,6}, Kristian Rotaru¹

¹Monash University, Australia; ²Federal University of Rio de Janeiro, Brazil; ³D'Or Institute for Research and Education (IDOR), Brazil; ⁴QIMR Berghofer, Australia; ⁵University of Southampton, UK; ⁶Southern Health NHS Foundation Trust, Southampton, UK; campbell.ince@monash.edu

Variables associated with parenting and pornography use in adolescents and young adults: a narrative review

Alejandro Villena-Moya^{1,2}, Giulia Testa², Carlos Chiclana-Actis^{2,3,4}, Yaniv Efrati⁵

¹Unidad de Investigación en Adicciones Comportamentales. Proyecto Piénsatelo Psicología. Madrid, España; ²Instituto de Transferencia e Investigación (ITEI) - Universidad Internacional de La Rioja, La Rioja, Spain; ³Unidad de Sexología Clínica y Salud Sexual. Consulta Dr. Carlos Chiclana. Madrid, España.; ⁴Instituto de Estudio de las Adicciones. Universidad CEU San Pablo. Madrid. España.; ⁵Bar-Ilan University, Faculty of Education, Ramat Gan, Israel; villenapsicologia@gmail.com

A Nuanced Examination of the Impact of Problematic Pornography Use on Sexual Health

Campbell Ince¹, Lucy Albertella¹, Jeggan Tiego¹, Leo Fontenelle^{2,3}, Murat Yucel⁴, Samuel Chamberlain^{5,6}, Kristian Rotaru¹

¹Monash University, Australia; ²Federal University of Rio de Janeiro, Brazil; ³D'Or Institute for Research and Education (IDOR), Brazil; ⁴QIMR Berghofer Medical Research Institute, Australia; ⁵University of Southampton, UK; ⁶Southern Health NHS Foundation Trust, Southampton, UK; campbell.ince@monash.edu

Session 8G

Problematic Internet use

Time:

Wednesday, 09/July/2025:
1:30pm - 3:00pm

Location: Room M

Session Chair: Jelena Jović

Session Chair: Lasse Schmidt

Presentations

What types of screens are used and for which activities? Potential influence of a “screen use disorder”

Jean-Marc Alexandre^{1,2,3}, Axel Allache^{1,2,3}, Pierre-Emmanuel Rozier⁴, Marie-Hélène Bru-Dure⁵, Thibault Cheneviere⁶, Emmanuel Augeraud⁴, Fuschia Serre^{1,2,3}, Marc Auriacombe^{1,2,3}

¹University of Bordeaux, F-33076 Bordeaux, France; ²CNRS, SANPSY, UMR 6033, F-33076 Bordeaux, France; ³Pôle Interétablissement d'Addictologie, CH Charles Perrens and CHU de Bordeaux, F-33076 Bordeaux, France; ⁴Centre Hospitalier des Pyrénées, Pau, France; ⁵Communauté d'Agglomération Pau Béarn Pyrénées, France; ⁶Ville de Pau, France; jean-marc.alexandre@u-bordeaux.fr

A survey of screen use and screen activities with DSM-5 use disorder criteria adapted to screen in a French urban area

Pierre-Emmanuel Rozier¹, Jean-Marc Alexandre^{2,3,4}, Axel Allache^{2,3,4}, Marie-Hélène Bru-Dure⁵, Thibault Cheneviere⁶, Emmanuel Augeraud¹, Fuschia Serre^{2,3,4}, Marc Auriacombe^{2,3,4}

¹Centre Hospitalier des Pyrénées, Pau, France; ²University of Bordeaux, F-33076 Bordeaux, France; ³CNRS, SANPSY, UMR 6033, F-33076 Bordeaux, France; ⁴Pôle Interétablissement d'Addictologie, CH Charles Perrens and CHU de Bordeaux, F-33076 Bordeaux, France; ⁵Communauté d'Agglomération Pau Béarn Pyrénées, France; ⁶Ville de Pau, France; pierre-emmanuel.rozier@chpyr.fr

Which variables predict untreated remission of Internet use disorders? Insights from a sample of adolescents and young adults

Lasse David Schmidt, Laura Weber, Dominique Brandt, Anja Bischof, Hannah Schmidt, Gallus Bischof, Hans-Jürgen Rumpf
University of Lübeck, Germany; lassedavid.schmidt@uksh.de

Transdiagnostic compulsivity traits in problematic use of the internet symptoms: A network analytic approach

Chang Liu¹, Samuel Chamberlain², Konstantinos Ioannidis², Jeggan Tiego³, Jon Grant⁴, Murat Yücel¹, Peter Hellyer⁵, Christine Lochner⁶, Adam Hampshire⁷, Lucy Albertella¹

¹QIMR Berghofer Medical Research Institute, Australia; ²University of Southampton; ³Monash University; ⁴The University of Chicago; ⁵King's College London; ⁶Stellenbosch University; ⁷Imperial College London; chang.liu7@monash.edu

Adverse childhood experiences and problematic internet use among child and adolescent psychiatric patients.

Kornelius Winds^{1,4}, Belinda Plattner^{1,4}, Bernhard Salcher², Lucas Rainer^{1,3,4}

¹Department of Child and Adolescent Psychiatry, Christian-Doppler University Hospital, Paracelsus Medical University Salzburg, Ignaz-Harrer-Straße 79, 5020 Salzburg, Austria; ²Department of Environment and Biodiversity, Paris Lodron University Salzburg, Kapitelgasse 4-6, 5020 Salzburg, Austria; ³Department of Neurology, Christian-Doppler University Hospital, Paracelsus Medical University, Centre for Cognitive Neuroscience Salzburg, Member of the European Reference Network, EpiCARE, Salzburg, Ignaz-Harrer-Straße 79, 5020 Salzburg, Austria; ⁴Neuroscience Institute, Christian-Doppler University Hospital, Centre for Cognitive Neuroscience Salzburg, Ignaz-Harrer-Straße 79, 5020 Salzburg, Austria; k.winds@salk.at

Using Lasso and ElasticNet as machine learning techniques for defining the impact of different biological, socio-epidemiological, life habits and specific Internet use factors, on the development of Problematic Internet Use in nationally representative sample of adolescents

Jelena Jović¹, Aleksandar Ćorac¹, Aleksandar Stanimirović², Mina Nikolić², Marko Stojanović³, Zoran Bukumirić⁴, Dragana Ignjatović Ristić⁵

¹School of Medicine, University of Prishtina-Kosovska Mitrovica, Serbia; ²Computer science, Faculty of electronic engineering, University of Nis, Nis, Serbia; ³Department of Epidemiology, Faculty of Medicine, University of Nis, Nis, Serbia; ⁴Institute of Medical Statistics and Informatics, Faculty of Medicine, University of Belgrade, Serbia; ⁵Faculty of Medical Sciences, University of Kragujevac, Kragujevac, Serbia; jevic.jelena@gmail.com

Session 8H

Problematic social media use, loneliness, and fear of missing out

Time:

Wednesday, 09/July/2025:
1:30pm - 3:00pm

Location: Room N

Session Chair: Rocco Servidio

Session Chair: Tali Gazit

Presentations

Silence in the Age of Noise: From FoMO to JoMO in a Hyperconnected World – Addressing Internet Addiction

Tali Gazit, Tal Eitan

Bar-Ilan University, Israel; tal.gazit@biu.ac.il

The dynamic relation between Fear of Missing Out and Social Networking Sites addiction: An experience sampling study

Julia M. Balcerowska¹, Artur Sawicki¹, Konrad S. Jankowski²

¹University of Gdańsk, Poland; ²University of Warsaw, Poland; julia.balcerowska@ug.edu.pl

Narcissism, FOMO, and Emotion Regulation - What do they tell us about problematic social media use?

Kim M Caudwell^{1,2}, Mal Flack^{1,2}

¹Faculty of Health, Charles Darwin University, Australia; ²Reseachers in Behavioural Addictions, Alcohol and Drugs (BAAD), Charles Darwin University, Australia; kim.caudwell@cdu.edu.au

Loneliness and Problematic Social Media Use: The Mediating Roles of Social Comparison and Fear of Missing Out

Rocco Servidio¹, Paolo Soraci², Renato Pisanti², Stefano Boca³, Mark Griffiths⁴

¹University of Calabria, Italy; ²Niccolò Cusano University, Italy; ³Università degli Studi di Palermo, Italy; ⁴Nottingham Trent University, UK; servidio@unical.it

Loneliness and Problematic Social Media Use: Unpacking the Bidirectional Links and the Role of Active Social Media Use among Adolescents

Federica Angelini, Claudia Marino, Natale Canale, Alessio Vieno, Gianluca Gini

University of Padua, Italy; federica.angelini@unipd.it

DETAILED PROGRAM OF THE MINI-TALK SESSIONS

Mini-talk Session 1A

Behavioural addictions

Time:

Tuesday, 08/July/2025:
8:30am - 9:00am

Location: Auditorium

Session Chair: Joel Billieux

Presentations

A scoping review of the Journal of Behavioral Addictions

Olatz López Fernández

UNED - Universidad Nacional de Educación a Distancia (1766), Spain; olatz.lopez@psi.uned.es

Use of psilocybin in the treatment of addictive disorders: a systematic review

Benoît Schreck^{1,2}, **Marie Grall-Bronnec**^{1,2}, **Jean-Benoît Hardouin**^{2,3}, **Laurent Flet**⁴, **Julie Caillon**^{1,2}, **Nolwenn Dantec**¹, **Gaëlle Challet-Bouju**^{1,2}
